

## **COVID-19 Procedures**

Sale Tennis Club, through its affiliation with Tennis Victoria and the WGTA, have developed a COVID-19 procedure for our user groups.

Key issues that all players and parents must be aware of are:

- ❖ If any player or attending adult finds they have COVID-19 symptoms or suspects they may have contracted COVID-19, they should contact their health professional and a Club representative immediately.
- ❖ Until restrictions ease further, each junior player may have only 1 parent or guardian accompanying them to a match.
- ❖ No additional parent, guardian or spectator may enter the venue.
- ❖ A contact tracing register is to be completed when entering the Clubrooms.
- ❖ Masks must be worn at all times, except when playing, or by children under 12. (If you have forgotten your mask a free disposable mask will be provided by the Club.)
- ❖ The Clubhouse facilities may be accessed for toilets and canteen but no congregation of people inside the Clubrooms.
- ❖ Disinfecting wipes and spray are available in the Clubrooms and must be used to maintain good hygiene around the court and Clubrooms.
- ❖ When bagging courts please do not share a bagger – stay up your end. Bagger handles are to be wiped with disinfectant wipes after use.
- ❖ Players should not shake hands at the end of the game – however acknowledging the end of the set in a socially distanced manner is encouraged eg: touch racquets.
- ❖ If you are congregating outdoors please ensure you observe the 1.5 metres social distancing requirement at all times.
- ❖ Each venue involved in the WGTA may have its own policy and procedures and these must be observed.
- ❖ Further details and information may be obtained at:
