

Active Tennis Coaching Report:

In 2021, Active Tennis Coaching offered tennis coaching 7 days a week at Ainslie Tennis Club. Group Lessons were strongly attended and private tennis lessons were also popular amongst Ainslie Tennis Club members and non-members alike.

Many of our players receiving coaching at Ainslie Tennis Club had their best results in competitions throughout the year.

All lessons had to stop for a period during the first half of the year due to the COVID lockdown but lessons resumed as possible after restrictions were lifted and were as popular as ever.

We are proud of the contribution Active Tennis Coaching makes to Ainslie Tennis Club and look forward to our continuing relationship.

Junior League Report:

We had 4 teams in the Autumn 2021 Junior League Session who were jointly representing both Ainslie and Braddon Tennis Clubs. All of the teams did very well in their respective competitions and their level of tennis continues to develop.
