

## **2020 Calendar Year Coaches Report**

Active Tennis Coaching took over as the sole tennis coaching provider at Ainslie Tennis Club at the start of Term 1 2020. We have been providing private lessons both to club members and the public and group lessons for both juniors and adults. Private lessons are available on any day of the week, while group lessons are offered on Wednesday's and Saturday's.

During the more restrictive COVID-19 arrangements, there was a period where no coaching was provided and a further period where we were only allowed to provide private tennis lessons. Group lessons were allowed to resume on 16 May and our full schedule of lessons has been on offer since that time.

While there was a drop in the fees paid to the club during the period of the restrictions, with the resumption of group lessons, Active Tennis Coaching paid substantial court hire to Ainslie Tennis Club for the full financial year.

As an active member of the club's committee, I am looking forward to contributing towards the growth of tennis participation at Ainslie Tennis Club.

Myles Emery
