JULY UPDATE

Annual Subscriptions

Most of you will have received your invitation to renew your subs from Club Spark on July 03rd, thanks to the many that have paid already. If you have not seen that email, please let us know so we can get that sorted.

Annual General Meeting / Club Championship Trophy Presentations – August 06th

Our AGM will be held on Sunday August 06th following social tennis, commencing soon after 12:00 pm with the trophy presentations for the Club Championships and then the AGM. This is an important time for the Club with the opportunity for members to have a role in not only the Governance and Administration of the Club but also in support for the Programs and Activities we undertake. Ours has long been a Club run by the members for the benefit of the members but retaining this model is becoming more challenging with approaching half of our membership in the 60+ age group. If you have any queries about how you may be able to contribute to the running of the Club, please contact us.

The notice of meeting has been forwarded to members and is on the notice board, submissions, and motions for the AGM close on July 09th after which the agenda will be distributed.

Geilston Bay Open July 21 - 23

The 2023 Geilston Bay Open will be held on the weekend of July 21 to 23, the last weekend of the school holidays. Along with the Open events for the stronger players there are also events for Juniors in UTR groups and for Club players, Men's and Women's Singles, Jnr / Snr and Adult Social Doubles.

Entries close on July 11th. You can enter online, or find out more information at [GBTC Open](#)

Harry Crowe has offered to coordinate a canteen for this weekend, little other support apparent at present, if you are able to assist with the canteen, please let us know by reply email.

AYC Pennant 2023 / 24

No advice yet from the AYC on pennant dates or closing dates for teams but we should expect to have our teams ready to be submitted in early August with the roster likely to commence in mid-September. If you wish to play in a Club team please let us know by return email by the end of July.

Sorell Challenge – Saturday September 02nd

Following on from the successful challenge match last year Sorell will be hosting the match in 2023. Similar format to an AYC match with an expected afternoon / early evening time slot depending on numbers. If you wish to play in this one, please let us know by return email so we can get some teams organised.
