## OCTOBER UPDATE

### Open Day – Sunday October 15th

Open Day scheduled for Sunday October 15<sup>th</sup> from 9:00 am until about 12:00 noon.

Three courts have been set aside for social tennis.

Our coaches will be running sessions for junior, adults and teens during the morning with a sausage sizzle on the go from about 9:45 am.

A simple flyer is attached with this newsletter, please help us by distributing it if you are able.

### Book A Court & Lighting

With the commencement of daylight savings our Book A Court times have been extended to 8:30 pm, not quite there yet but good to see use of the BAC continues

We have made some progress with a submission for TA funding towards a lighting control system connected to Book A Court but due to the timeframes to finalise some required details have deferred this one until the next round of funding is open.

### Square – Twelve Months On

We have recently completed twelve months with our Square and transacted in excess of \$12,000. Thanks to the many members that have supported this one, it has saved a significant amount of time in not handling cash and seems to provide all the information our Treasurer requires to complete the monthly reporting. The commission on this amount of approximately \$240.00 is minor compared to the effort saved.

### Seniors 2024

Little member support for this event at this stage, entries close on October 19 so we will soon be required to confirm our commitment

If you are interested in volunteering to support this event, **please let us know soon** so we can confirm our level of involvement.

### Mid Week Ladies

The Spring pennant continues with court requirements as listed below:

3 crts	0 crts	5 crts	0 crts	5 crts	3 crts	6 crts

## Contacting The Club

Just a reminder that the preferred way to contact the Club is by using our email address [contactgbtc@gmail.com](mailto:contactgbtc@gmail.com) auto forwarding is in place, this will ensure that your query gets to the right place.

If your group uses the Club balls please use our email to let us know that supplies are low, with a couple of new people looking after balls it might avoid a problem with no balls in the drawer. !
