There is always room for some new input into running the Club, if you are interested in taking on a role please have a chat to a current Committee member about the possibilities.

AYC (Interclub) Pennant

The notice is up on the board, or reply to this email if you wish to participate, **entries close on Friday August 06th**. AYC continues to provide a well organised opportunity for interclub tennis.

Play commences on September 13th with the pre roster doubles in the preceding week.

Given our current mix of players it is likely that we will be fielding mixed teams in Division 3 and below with other players slotting into a non-gender team. Please indicate your preferences when submitting your names.

Ladies Midweek Pennant

The Winter non club pennant is currently underway with 45 players, finals will be played over the last two weeks in August. The notice will be up for the next pennant soon.

The changes to the Constitution have been endorsed at the SGM held last Sunday. Thanks to those members that have attended the SGM to help this important change progress. Geilston Bay Open

The Open ran successfully over the weekend of July 16 – 18, a few hiccups with the Victorian Covid lockdown but an otherwise good weekend of tennis. Eddie Bouchier and Alicia Dale have taken out the titles for 2021. Members Jack Derrick and David Hoppitt were runners up in the Men's Open Doubles, unfortunately our Andrew Bourke was a victim of the Covid problem and was required to withdraw after winning his first two singles matches. A good number played in the members event on the Sunday morning, congratulations to Colin Mazengarb who has been the winner this year.

We are expecting a return in the order of \$600.00 after costs have been met. Thanks to Tony Blom for his efforts to get this one, not only, up and running, but successfully completed, in what were somewhat trying circumstances.

Thanks to Claire Gay and her canteen volunteers and contributors, a tidy sum of \$600.00 has been raised this year.

Annual Subscriptions

The annual subscription notice will be emailed to members in the not-too-distant future, the Committee have confirmed that the subs will remain at the current level for 2021 / 22

COVID 19

The recent Victorian impact on the Geilston Bay Open should be a reminder that we are still in a Covid pandemic. Please take the usual precautions when you are at the club (there is plenty of hand sanitizer available, social distancing protocols, etc).

By law we need to use the Check in Tas app, you can expect to be reminded to Check In.

If you don't have a smart phone, please ask one of your mates to check you in when you arrive. The paper-based check in remains for use only when no mobile service is available.
