Constitution Upgrade

The Committee have recently decided to defer our Special Meeting to progress the new Constitution. Some of the changes have potentially significant implications and need to be better understood before they can be implemented. Hopefully can still make some significant progress by the AGM.

Court 5 Lights

Our Development Application has been approved and the soil testing has been carried out recently. Next stage is to get the structural design done so we can progress to a Building Application. Progress has been slower than hoped for but we are getting there

Ladies Midweek Pennant

We have had five teams participating in the first Midweek Ladies pennant for 2021, three teams have made the finals, with two progressing to the grand final which were played at Rosny on Wednesday May 05th, unfortunately no success for us this time, none the less it sounds like all of the players have enjoyed some great tennis. The list is on the board for the next pennant.

STL Premier League

Geilston Bay will again have players participating in the Premier League and will be hosting a round on the afternoon of May 08th. **Please note that no courts will be available from 1:00 pm to ~ 3:30 pm** but it will be a good opportunity to come down and see some of the best players in the state competing.

COVID 19

Recent advice from Tennis Tasmania confirms that we are required to use the **Tas Check In App** as our sole means of registering those coming to the Club. Many of you will already have the app, if not please install it and use when you are at the Club. It would be good if you can set up those without access to the App as **Frequent Guests** to simplify the Check In process for them.

The paper methods are now only to be used by the Club when the Check In capacity is not available. The government website provides more detail. [Check In Tas Information](#)
