Once you've selected a court, click on book now.

You'll be taken to a summary screen, where you can confirm your booking and make payment via credit card.

Finishing Up

Once payment (if required) has been made, you will be taken to a confirmation screen. This will display the details of your booking, as well as the pin you'll need to enter to get into the club. These details will be sent via email, and may be texted to you, if you select the option.

This pin is unique to you, *not* to your booking. So each time you book, your pin will be the same, and it will become active 10 minutes before your booking time.

To enter the club, just type your unique pin into the keypad and press enter.

If your booking takes place after sunset, the lights will automatically turn on once you've entered your pin, and will turn off shortly after your booking has finished.
