### [Guess who is turning 70?](#)

We are!

This year's end of year Presentation Day celebrations will be extra special. The club is excited to be also celebrating 70 very proud years as The Keon Park Tennis Club!

Save the date: Sunday 26th November 2023.

We are currently looking for past and present club members to join our subcommittee to make this a fantastic celebration.

Please email us at: [social@keonparktc.com.au](mailto:social@keonparktc.com.au) if you are interested.

Thank you to everyone who attended our annual Mother's Day Morning Tea on the 13th May.

The club is very proud of this event, bringing together all the wonderful mums, nana's, aunties and carers from our community to celebrate everything they do. We link this event to the Cancer Council's Biggest Morning Tea.

All money from entry fees & raffles is donated. This year we raised \$665.

# TEAM UPDATES

## Autumn 2023

With only 1 round of the junior season remaining; teams are competitive within their sections. Injuries have plagued some teams unfortunately. Overall attendance each week & enthusiasm has been very high, and sportsmanship has been great.

This season we welcomed several new players: Ethan M. Angus D. Joshua H. Isabella L. Isabella I. Amira W. Tate A. Zoe B. and Miguel V.

Wishing teams the best of luck for the finals.

We are currently working on teams for next season, commencing 15th July.

The night tennis season has wrapped up. This is the first season in many years, none of our ladies' teams made it to finals. On to next season!

It was great to welcome back a Thursday night Mixed team. This team was made up of some of our Wednesday night ladies, a couple of junior players and two of our new cardio tennis men, Matt & Luke.

The NSTA season has also finished with our team finishing as Runners UP.

The ERT season has recently started, with both our Saturday & Sunday teams doing well, as is our Men's Pennant team.
