AGM 12.00pm

BBQ lunch and drinks provided

2020 has thrown up some unique challenges and the Club has worked tirelessly to provide tennis to you the community within government guidelines. We have managed well in a fiscal sense and hopefully will come through the pandemic stronger and better than ever.

Reflecting on the 5-year strategic plan, our mission is to be a family friendly club. We have aimed to provide and maintain quality accessible tennis facilities for the members and community we service in the ACT. NWTC has worked towards this roadmap to secure funding for new LED lights, disabled access and toilet facilities, mini courts & hitting wall refurbishment, new court surfaces, repairs to existing plexi pave courts with work commenced.

To club members, thank you for your ongoing support and faith in our approach. I encourage all of you to become more actively involved in the Club operations so that NWTC can deliver all the tennis that you want.

Terry Lennard, President

Good Sports Level 3 Accreditation

The NWTC Management Committee adopted the Alcohol Management Policy at its September meeting. The policy outlines procedures for a balanced and responsible approach to the supply, consumption and promotion of alcohol at the club. By having this policy, the club has now met Level 3 Accreditation of the Alcohol and Drug Foundation's Good Sports Program.

The lost property box in the clubhouse is overflowing! Please check it next time you visit. Any items still there by Christmas will be washed and donated to Vinnies.

Solar panel installation

We are excited to let you know that the solar panels will be fitted to the clubhouse roof during the next month. Since the installation of the LED lights a year ago, our usage has reduced by about 35% and the costs by about 31%. All savings go towards the club's sinking fund for the court refurbishment project.

Have you had a guess yet?

Next time you visit the clubhouse, make sure you enter our competition to guess how many lollies are in the jar for your chance to win the actual jar. Cost is \$2 per guess and the lucky winner will be drawn in time for Christmas.

Covid-19 Guidelines Snapshot

- Social distancing 1.5m still in place
- Gatherings a maximum of 500 people
- Maximum of 12 people in the clubhouse at any time

RSTA Program Report

Great to be back on court! We were able to complete Term 3 with a return to our coaching and competition programs and our Schools Program is also up and running again.

The JDS #2 tournament was able to go ahead on 29 August under strict COVID-19 guidelines. Play was limited to singles only over one day but we actually saw an increase in the number of participants for singles age groups which is terrific.

Term 4 continues to go well despite a few thunderstorms, adding to the many difficulties faced in 2020.

Canberra Tennis League Action

We have four teams entered in this year's Junior Spring competitions. Green Ball finished on 1 November with NWTC playing host to the finals for all divisions. Congratulations to both North Woden Spartans teams finishing runner up in their respective divisions.

Yellow Ball still has a few weeks to go and we wish both teams all the best in each of their divisions.

We also have a team in the Adult Saturday comp who have made it to the semi-finals. Well done to Nick and Anthony – we'll make sure your photo is in the next newsletter!

Entries are open now for The Walking Clinic Summer Adult Canberra Tennis League season. The popular Monday/Tuesday night league offers players a mixture of singles and doubles in a quick format. The Thursday league is a great option for players wanting to play just doubles. Register through Match Centre today.
