Firstly, I want to thank our tennis community for your patience and forbearance during the disrupted COVID periods of closure and restricted play this year. The Club has maintained a healthy and safe posture during what has been a difficult time for all of us. I particularly want to thank the Committee and Frank and the RSTA team for their amazing work in a difficult environment. The good work has kept us safe and when possible, allowed the game to be played within the government guidelines. Also, because of the good work done during lockdown, we have increased individual and Corporate Members, as well as gaining additional sponsors/advertisers. This is an amazing result.

The Solar panels are now connected and we are exporting 10.2kwh to the grid. Along with the LED court lighting, we are on the way to a reduced carbon footprint and zeroing out our power bills.

AGM – We need you to be part of the NWTC future

Our AGM will be conducted on 11 December 2021, on the same day as the Club Championships, and I

encourage you to attend. I will be announcing some exciting news about our 8 Court Refurbishment Project and want you all to hear it first and can ask questions and be involved. So please attend to show your support, to play or both and hear our plans for the new future of NWTC.

We're going green....

Thanks Bunnings Tuggeranong!

A big thanks to Bunnings Tuggeranong for donating an electric cordless lawnmower through their Community Support Program. Along with our LED lighting, solar panels, container recycling and low water usage, we are well and truly on the way to being an environmentally sustainable tennis club.

Help wanted with mowing PLEASE!

Can you spare one hour every other week? With all the wet weather we're having to mow more often. We're drawing up a mowing roster and we'd like members to help. High school kids are welcome to get involved as the club will certify the time spent for school volunteer community service programs.

Contact Club Treasurer Kai Mitchell on 0434 744 769 if you can help.

RSTA Program Report

After Term 3 being cut short due to the latest COVID-19 lockdown, we are ecstatic to be back to offer a shortened Term 4 program.

The North Woden JDS#2 has also been rescheduled and will now be held 18-19 December 2021.

Green and Yellow Ball Leagues back

NWTC is playing host to the 2021 Spring Green Ball League on Sunday mornings throughout November. There are a record number of teams registered this comp and as all teams play at the one venue each week, we are one of the few clubs in the ACT big enough to host the event.

Green Ball action on Sunday mornings

Thank you again for your ongoing membership and support of the club. The committee and RSTA are always keen for your input and suggestions, so please contact NWTC committee members or the RSTA team with your feedback.
