

Secretary's Report 2022/23

The club was at last able to have an uninterrupted year after the past 3 years of Covid.

The club continues to attract new members no doubt due to the excellent facilities we enjoy as provided by Monash Council.

The courts are now 5 years old and are still in excellent condition.

Players have shown a lot of interest for competition with the club now fielding at the weekends 17 junior and 7 senior teams and 7 teams in night competition during the week.

Donald Smith, I thank for his efforts to improve and grow the club. He is always looking a different opportunities which would be of benefit to the club.

Peter Splatt

Secretary

Oakleigh Tennis Club
