Subject: COVID-19 Update - Use of Check in CBR App - Southlands Tennis Club
Date: 7 March 2021 at 2:37 am
To:

Dear Member

The ACT Chief Health Officer recently announced new COVID-normal restrictions that now apply to businesses and sporting organisations. These restrictions mandate the use of the Check in CBR app when attending the Club. You are probably aware of this app as it has been in general use for some time now.

Under these restrictions, the Club is required to use its best endeavours to ensure members and guests aged 16 years and over check in using the Check in CBR app when attending the Club. If you do not have this app already, it should be downloaded to your mobile phone. The information collected by this app goes directly to ACT Health for contact tracing and is not seen by the Club.

More information on this app can be obtained from the ACT Government website by clicking [here](#).

The Club is now registered as a venue for the purposes of the Check in CBR app and signs have been placed at the Club gate and the clubhouse door.

Regards

Greg Rutledge
Membership Secretary
