Tennis Tasmania and Taroona Tennis Club - Relationship

The Taroona Tennis Club Inc (the Club) requires the information requested on this form to provide you with Club membership, for insurance purposes, to receive timely and relevant information and communications related to tennis, and for related purposes which can be reasonably expected.

By becoming a member of the Taroona Tennis Club Inc you also become a member of Tennis Tasmania and your personal information will be provided to Tennis Tasmania and used by Tennis Tasmania to provide you with member registration benefits and for related purposes as can be reasonably expected. Parental Responsibility for Children

The Club has a generous fee base for members' children who are encouraged to become part of tennis. However, the Club does not bear any responsibility for unsupervised children and trusts that parents will exercise appropriate judgement regarding supervision. Players under 18 cannot play at night-time under lights unless an adult member is present. Parents seeking to join only children under 10 (free) must take out a non-playing membership (\$50) which enables those parents to hit up with their child.
