

Eddie Drummond

17/3/33 - 16/5/24

It is with great sadness I notify you of the passing of
Eddie Drummond on 16th May 2024.

He passed away peacefully after a fall.

Eddie was one of the great characters of Tennis Seniors
for many decades. He was loved off the court and feared on it. His
forearm jolt forehands down the line were legendary.
Hit with pace and accuracy and if you weren't quick enough
you wore it. Male or female. No discrimination with Eddie.

He will be missed, but remembered fondly
with a smile and an Eddie story.
