

2022 Tennis Seniors Australia Championship Report

(TSSA) a report on the Aust Seniors Champs at Swan Hill from a South Australian perspective. There were 7 participants from SA in this ITF event.

Player from South Australia

Adrian Johnston - finalist in M50s singles

Rob Bickmore - finalist in M70s doubles

Roger Davey - finalist in M70s singles & doubles

Bruce Rehn - winner M80s doubles

Peter Davis, Vlad Ejev and Mike Howard also played.

There were a few ex-SA players eg Mike Ford, David Cadman, Anne Fulwood (former SA TV personality - possible connection with Wayne Pascoe who pulled out due to injury), Pat Maloney.

The club has 47 lawn courts in excellent condition, looked (and played) as smooth as a bowling green. I played on 4 different rows and all were close to perfect; overall I'd say better Renmark, SA's best. I'd take up lawn tennis if Adelaide had courts this good. There's an "oval" next to the club which will be used for the teams events. It's said to be "laser" level, and it looks it, and will give an additional 50 courts or so. Good size club house and outdoor area. I was impressed. Only down side is that it's an open area and so can get a bit windy. A highly recommended tennis venue.

Cheers
