

City vs Northern, Sunday 26th March, 2023

It was Adelaide's turn to host this great annual event, City vs Northern in 2023.

Our spirits were not dampened again this year, however our feet certainly were with the persistent rain we had from start to finish. This shortened our day and only allowed us to play the Ladies doubles and reverse doubles and the Men's double and reverse double. Thank you to everyone who got out on the court and gave it a go under trying conditions. We really appreciated everybody attending the day even though it was always going to be doubtful if we would play tennis at all, especially the Northern people who drove some distance to come and play.

Thank you to our City team members:

JOHN POLIAS	KAREN AHRENS
ROGER DAVEY	DONNA BREWSTER
IAN DELBRIDGE	TRICIA RABBITT

Congratulations to the City team who were triumphant on the day, taking out the sets we played 35 to 13. Unfortunately we didn't get to play the mixed, but hopefully the sun will shine for us next year.

A big thank you to our kitchen staff, Mary Johnson, Donna Newberry, Di Reynolds and Ros Venn who put on a fabulous lunch of chicken, chips, salad followed by ice-cream and fruit salad. Also to Ken O'Dea for manning the bar and keeping us all

hydrated. Lastly, I would like to thank the wonderful city team members who jumped in at the last minute to help us out to make a team, really appreciate it.

Once again a fabulous day. Next year we will be at Jamestown, so please think about coming. It's a great day of tennis and socialising.
