

Seniors men team joins women's mid-week Competition

The women's mid-week grass court tennis Association invited a seniors men team to join the 2022 competition. The competition could only field five teams and needed another team to maintain team numbers and the high standard.

The Seniors were happy to field a team, they were a little more mature and sporting more elbow and knee bandages but were identified as suitable competitors. There were seven players representing the seniors during the year

David Macdonald, Robert Bickmore, Stephen Ormerod, John Schluter, Jeff Inglis, Don Perry and Martin Hahnheuser.

Most matches throughout the year were evenly contested with the men losing only three matches which had them in the semifinals.

The semi Final was played against Reade Park Gold this was very close at 3 sets all, with the seniors winning on games 46 to 35, this took them straight through to the Grand Final

In the Grand Final the seniors played Dave, Rob, Steve and John they played Reade Park Blue and were victors winning 5 sets to 1.

The inclusion of the men's team achieved the dual purpose of providing strong competition for the women and also an opportunity for the men to participate in a midweek daytime competition.

Great competition great job guys.
