Tennis Seniors Association of SA – Activity News

Special General Meeting to adopt a new Constitution.

TSASA adopted a new Constitution at the Special General Meeting on 10 December 2018. The committee was very pleased that this Constitution was accepted unanimously, thank all who participated and voted.

TSASA needed the new Constitution urgently because the current committee was invalid under the terms of the 2014 Constitution. As members would know, we were unable to elect a new President at the AGM in August 2018. Without a President, the committee was invalid and not authorized to administer TSASA affairs.

The new Constitution (2018 Constitution) was written so that the committee remains valid when the executive portfolios (including President, Treasurer and/or Secretary) have not been filled. Furthermore, it allows for the election of up to twelve committee members and the appointment of up to five additional committee members by the committee. In summary, the structure of the committee is broadly defined and much more flexible than previous TSASA Constitutions.

We appreciate the contribution and legal expertise of Leonie Millard, who was largely responsible for writing the 2018 Constitution and ensuring it's integrity. We also appreciate the participation of Tony Murphy and other committee members, who helped in achieving the 2018 Constitution.

The 2018 Constitution is designed to accommodate changing administrative conditions facing TSASA (and many other tennis clubs). Tennis SA and many tennis clubs, including TSASA, acknowledge that it is increasingly difficult to attract volunteers to take up executive roles and committee positions in sporting clubs.

The 2018 Constitution will allow for different strategies to achieve administrative outcomes. For example, we have come to believe that members are more willing to help with particular well-defined roles that require less commitment than full committee positions. Accordingly, the current TSASA committee is considering the formation of a number of sub-committees to focus on various defined TSASA needs.

With the validity of the committee restored, we will work to ensure that current TSASA activities, including the weekly competitions and social tennis proceed successfully. We will also begin to implement the strategic plan presented at the 2018 AGM with the view to ensuring TSASA's long term future.

Following the SGM, the committee met briefly and appointed Leonie Millard and

Tony Murphy to the committee as authorized by the 2018 Constitution. They are welcomed and we appreciate their willingness to join the committee.

Court Resurfacing.

Resurfacing of Courts 1-6 has commenced. The carpet and rubber shock pad are being lifted during the week of 10 December. A member working bee has been organized to remove the shock pad and thanks to all who participated. The new surface will be installed in late January/early February.

Prestige, the company responsible for laying the new surface, have advised us recently that the shock pad may not be necessary and in fact that the surface is better suited to tennis if it is not used. We have presented the idea of a “no shock pad” to Adelaide Hockey, who also use these courts for practice, and they have agreed that we can proceed with a “no shock pad” surface. TSASA appreciates Adelaide Hockey’s rapid consideration and cooperation in agreeing to TSASA’s request.

It is worth noting that recent events and decisions have resulted in major cost savings for TSASA and Adelaide Hockey. Firstly, we will not be required to pay for disposal of the carpet. John Schluter has identified that the Scouts can use the lifted carpet for their coming Jamboree and they will take the rolled-up carpet from Park 20. This take-up by the Scouts alone will save \$20k or more. Secondly, the member working bee to remove the shock pad saves labour costs and thirdly, the decision not to use a shock pad will not incur the cost of the shock pad and its installation. We are looking forward to a revised quote.

We look forward to our new surface for courts 1-6 with a playing surface optimal for tennis.

The committee is aware that some members are not satisfied with the surface of courts 7-18 because of the low ball bounce. This surface does include a shock pad, which is meant to provide a surface suitable for both tennis and hockey play. We have been advised that frequent grooming and continuing use will go some way to overcome the current bounce problem. We are also meeting with Prestige and Poygrass (the surface manufacturer) to discuss the dissatisfaction and determine how the bounce might be improved. We will keep members informed on the advice received.

Club Room Renovations.

The Consortium (TSASA and Hockey) have a sizeable grant to fund renovations to the club rooms. In particular, the women’s toilets and bathrooms will be extended to include a shower and renovated. The men’s rooms will also be renovated. The ceiling of the club room will also be changed and LED lighting installed. The design has been agreed to and work will commence in early 2019.

2018 WEST BEACH & DISTRICTS COMMUNITY BANK TENNIS SENIORS SA STATE CHAMPIONSHIPS

ENTRIES

Sixty eight players entered, but there were no entries in Ladies Singles and only three pairs entered in Ladies Doubles events, so Ladies Singles and Doubles were not played. As a result, the only Ladies who played were in Mixed Doubles events, for a total of eight ladies. A very disappointing result.

We did have one entry from Giorgio Mosterts from Milan, two Tasmanian men - Jon Aufder-Heide and Rod Harrex, Pat Maloney from ACT and two country entries from Kadina. These interstate entries were well down on past years

Matches commenced Sunday 11th November at 9.30 am and played on courts 7-18 with the front row courts 1-6 not available due to safety reasons. This was unfortunate for viewing and did contribute to a lack of atmosphere. Monday and Tuesday matches commenced after lunch and continued through the evening. All matches were Round Robins due to lack of entries and many age groups had to be combined, with the minimum of three players in some Round Robins.

Barbecue was again down on numbers, with only twenty attending.

Presentation: Approximately forty attended. Dennis Haupt did the Presentation to winners with the assistance of our sponsors, West Beach Community Bank representative, Terry McClean and Living Choice representatives, Angela Trevor and Kevin Pearson. Terry presented Dennis with a plaque and announced the Bank's ongoing support for next year.

LIVING CHOICE \$250 VOUCHER and ARKABA RAFFLE

The Living Choice voucher was drawn from entries and the winner was John Owens.

A \$250 accommodation voucher and two \$50 vouchers for Arkaba Hotel were raffled during the event and these were won by Robert Finn, Henry Young and June Raven.

SPECIAL THANKS

Special thanks to Tournament Director Ann Langman who spent many, many hours organising the tournament. She did an exceptional job making sure all players were advised of starting times each day and also accommodating player requests for late arrivals etc.

Thanks also to the canteen ladies, June Raven, Rhonda Walker, Claire DeMack, Helen Schreier and Ros Venn. They did an excellent job organising the food every day and night. Thanks to Claire also for organising the flowers throughout the clubhouse. They looked excellent as usual.

Thanks to Janet Wang for all her assistance with selling the raffle and doing the prize money with Barb Mathews. Thanks also to the bar girls- Robin Hunt, Carol Delbridge, Pam Haupt and Carole for manning the bar throughout the tournament.

Thanks also to ITF White Badge Referee Stewart Nancarrow and special thanks to Brian Arnold for his voluntary court supervising . Last, but not least, Dennis Haupt for opening up each day, putting up sponsor signs, umbrellas, cooking the BBQs and all those other unseen jobs that go unnoticed.

Marie Stevens

Thanks must go to retiring Tournament Director Elaine Caldana for her ten years of service Well done Elaine; it has been much appreciated.

Monday Night Men's A Grade Doubles: -

Wombats Mob (Trevor Reeves, George Bouras, Kevin Benson, Ian Delbridge and David Snoswell) defeated *Eagles* (James Partington, Paul Page, Clayton Lush and Jonathon Man) 3 sets 35 games to 3 sets 31 games in the men's A Grade final

Wednesday Night Men's B Grade Doubles: -

Eagles 1 (Phil Smith, Lynton Manuel, Anthony Klatt and Ian Campbell) defeated *Rabid Racquets* (Gary Would, Josh Coligan, Peter French and Adrian Wylie)

3 sets 29 games to 3 sets 27 games in the men's B1 final.

Tontine (Matt Cooper, Richard Osborne, Len Henschke and Bob James) defeated *Eagle s 2* (Trevor Weinert, Ken O'Dea, Alf D'Archie and John Lane)

3 sets 29 games to 3 sets 25 games in the men's B2 final.

SUMMER 2018/19 WEEKLY COMPETITIONS

Monday Night Mixed Doubles:

Five teams are playing in Division 1 and six teams in Division 2.

Haz Beanz are currently leading Division 1 from *All of Us*, with *Sideliners* just ahead of *Footloose* in Division 2.

Tuesday Night Ladies Doubles: -

Only seven teams nominated from the two previous summer divisions. They were merged into one division and have played a full round of matches with each having a bye. An eighth team has joined in for the second round of matches, eliminating the bye. As would be expected, last summer Division 1 winners *NE447* have been leading the way from *Paragold*, although *Hot Shots*, after only one match, have jumped into second place, based on Points Ratio. After the second round of matches, the teams will be split into two groups, teams ranked 1 to 4 and teams ranked 5 to 8 for the last three matches and finals.

Wednesday Night Men's A Grade Doubles: -

Five teams started in this competition and after six matches have been joined by a team of players new to TSASA. *Eagles* are clear leaders from *Poker Boys* and *Wombats Mob*. The new team *Punters* have already had two wins and jumped to second, based on Points Ratio. It will be interesting to see the influence of playing less matches in a season and how Points Ratio sorting copes with this.

Thursday Night Men's B Grade Doubles: -

Rabid Racquets are leading *Eagles 1* and the other six teams in Division B1, while *Eagles 2* and *Tontine* are neck and neck at the top of Division B2.

Day Competition

Unfortunately, the two daytime competitions did not attract sufficient interest to be run this season. Informal matches are arranged for those players who arrive at the South Park Centre on Thursday.

Web News

Well, this is the last SAVET for 2018; where has the year gone? I don't know about you, but I feel like I have just packed up last year's Christmas decorations.

As for the Web and Facebook news, you will have noticed an interesting article about Tuesday Social tennis from Jeff Brown; if you are thinking of joining the group, then you would be warmly welcomed.

There is also the results and report from the State Championships held in November. There will be photos in the next few days; by the time you read this, they should be up.

The President's Report from the AGM is up on the web on the front page. I urge you to read this as it is very informative, the Club/Association have many challenges now and for the future. Keep your eye on the Web for more information regarding the changing Committee, new toilet etc.

On Facebook, I advertised the State Championships and Fitbit Cardio tennis with Kym Sladden. I have also changed the group from a Closed Group to a Public Group and I am hoping more people will get involved with Facebook with their own photos and articles; use it as Facebook should be used, to share information.

Well, I will take the opportunity to wish everyone a very Merry Christmas and a Safe and Fun New Year. Those of you going to Shepparton for the Australian Championships, have a great tournament and let's see if we can bring home some medals.

Cheers for now
