From The President

It's cold out there!

The winter season is in full swing with Mixed and Men's Division 1 Doubles on Monday nights and Men's Division 2 on Wednesday nights. While the number of teams is down slightly on the last few seasons, there is still a significant number of keen members braving the chilly nights. A reminder too that the Tuesday and Thursday morning social hits are continuing throughout the winter, so if you have some time on any of those mornings, you can just roll up between 9.00 am and 12.00 noon and you will be welcomed for a hit.

Complex Developments and Management:

Courts 1-6 have settled well and are playing beautifully. Courts 7-18 have appreciated the rain to settle the sand and the bounce continues to improve. We are still organising for the surface to be groomed which we hope will now be done between the winter and summer seasons.

The clubroom re-development is complete, providing a much nicer environment throughout. Adelaide Hockey Club is currently coordinating a fundraising effort to finance the provision of updated furniture which will complement the 'new' facility. In total, we have invested almost \$1million in improvements to our facility as a whole over the past two to three years. We are very grateful to The South Australian Government for their support through a number of grants to assist with this work.

It is also worth noting that the general maintenance of the complex has been significantly improved through the appointment of our Treasurer, Roger Sanderson, as the maintenance manager, to ensure that the whole facility is kept in top condition. If you become aware of any problems, please contact Roger.

Strategic Plan:

Many thanks to those who responded to the recent survey in relation to our Strategic Plan. A summary of the responses along with the Strategic Plan will be circulated to members by email shortly. We all know that tennis clubs and associations throughout Australia are experiencing a drop in membership and TSASA is no different. It is therefore important that we investigate ways to widen our membership while providing opportunities for more effective use of the complex.

State Championships planning:

Donna Freeman, with support from James Pick from Tennis SA, is coordinating a group to examine ways to improve our State Championships. This involves consideration of the timing of the tournament, the variety of events offered and the length of the tournament. If you have some thoughts on ways to improve this event, contact Donna.

AGM – How can you contribute?

As you can see from the above items, there is a lot happening to ensure the continued viability of TSASA and the effective use of our excellent facility. Our AGM is planned for Tuesday 20th August and we would welcome nominations from anyone who would be interested in working on the committee to contribute to that ongoing development .

City vs Northern Areas - Sunday 24th March 2019

City team 'In the Pink' as the Memorial Shield Returns

On a perfect Autumn day for tennis, the eager combatants from the North gathered at the South Park Centre for the annual match with the team from the metro area.

Despite the on-going major renovations, the clubrooms were amazingly transformed from a construction site into a highly presentable area by a dedicated band of helpers on the Saturday and of course, the visitors were keen to try out the new court surfaces.

The City men had some late changes to the team due to some end – of – season injuries, but the incoming players compensated well. The Northern Men's team consisted of most of the annual regulars, but was strengthened somewhat with the inclusion of Grant Daniel from the Barossa area. The City women's team looked to have considerable depth and that was born out in the results.

After the first round of Reverse Doubles matches, the Northern Men prevailed 7 sets to 5, but the City Women dominated 9 sets to 3. The top doubles results in both the men's and women's sections were shared at one set each and equal on games. Carole Johnson and Sue Russo shared sets with Julianne O'Dea and Jenny Parish 4-6, 6-4, while Peter French and Byron Hughes shared tie-breakers with Andrew Noack and Grant Daniel in a very high standard marathon match.

The Mixed Doubles were played next with the City combinations proving too strong winning 8 sets to 4, although this result included a number of tie-breakers and other close scores.

All players and supporters then enjoyed the chance to sit down to the customary delicious luncheon provided by Leonie Millard, Sue Hand and their band of helpers. The extra-sized helpings of fruit salad and ice cream provided to the Northern Areas players combined with the disciplined dietary control of the City players obviously had the desired effect for the afternoon's doubles matches, where the City Women won 10 sets to 2 and the City Men rallied to win 8 sets to 4.

The top doubles matches in both divisions were again close - fought, high standard games with Byron Hughes and Allan Daws sharing sets with Peter Higgins and John Walker 6-4, 4-6, while Karen Pilkington and Heather Bormann for Northern Areas narrowly won out over Carole Johnson and Sue Russo 6-4, 6-4.

The performances of many of the players from both teams were enhanced significantly by the treatment received from Michael and Greg from Niagara Therapy, one of our major sponsors, who were kept busy throughout the day working on sore muscles!

Following the completion of the matches, Twink Sparks, captain of the Northern Areas team, presented the Brian Pink Memorial Trophy to John Schluter and a special place will need to be found in the renovated clubrooms to keep it safe for at least another year.

Overall, this day again proved to be an annual calendar highlight for all who took part and we look forward to travelling to Jamestown in March 2020 to enjoy the excellent hospitality of our friends from the Northern Areas.

Many thanks must go to the City members who helped transform the clubrooms on Saturday, as well as the band of kitchen helpers for their excellent catering on Sunday and to David Bryant for manning the bar for the day to ensure that people's fluid levels were maintained.

Seniors Social Tennis

**Tuesdays from 10.00 am;
If temperature is forecast 35 or over, play will start at 8.30 am**

Phone Jeff on **8264 6670** or **0402421126** if you are interested and he will give you the info you require - ladies are more than welcome to participate. You can get a cup of tea or coffee. No need to join the Seniors to start with - that can come later if you find you are enjoying the activity and the company. Play is always at the courts in the South parklands - enter from Greenhill Rd. just west of Unley Road. Off street parking is available. Cost is minimal - \$5 to cover balls.

The Seniors Social Tennis Days have become a very enjoyable day for all those players who partake of the conveniences and the great synthetic courts that we use all year round, and even on winter days, unless it is raining at the time, the courts are quite playable and very little time is lost.

The start time is usually 10 A.M. but if the forecast temp. is 35 degrees or over, the start time is brought forward to 8.30 A.M. which is a cooler time to have a game or two, and the finish time is when a player has had enough. Tea and coffee are also provided.

A new player may try out for three times before making a decision to join, the ball money cost of \$5 per day, after which time the player may join the TENNIS SENIORS Assoc. by paying the annual fee of \$70 which is pretty cheap entertainment, and entertainment there always is.

The fees also then allows players to think about evening matches at the centre which are also very popular with several divisions and many teams participating.

The method of play is players name tags revolving around the board, from available players along the top of the board, being chosen to make up groups of four for doubles combinations, after which the names return to the top for further combinations giving a good mix of players and opponents, which seems to work fairly well and allows for various standards

It is mainly men who make up the bulk of players with a group of ladies who usually do their own thing and if ladies desire they are most welcome to join the men in a little more competition.

The only time when tennis is not played during the year may be when a public holiday falls on the Tuesday and if enough players are interested we usually carry on as normal. If you would like to know more about our Social Tennis please give me a call on **8264 6670** or **0402421126** - **Social Tennis Co-Ordinator, Jeff Brown**

Update on Seniors Tennis Discussions with Tennis Australia

Tennis Australia (TA) representatives, Bruce Osborne and Travis Atkinson, have been presenting some Adult and Seniors Tennis information to all Tennis Seniors Divisions over recent weeks. Based on the availability of key stakeholders six Division presentations have been completed as at 10 April.

The presentation has covered the Seniors Tennis Plan going forwards, how a Seniors Advisory Group might work, Adult Social Play as well as some important historical information. The presentation sessions have been well received and granted everyone an opportunity to converse, ask questions and provide feedback to the plan moving forward.

Each Division has noted their current challenges and thoughts on the proposed path to progression.

Post the presentations, all Divisions have been asked to:

- A. Further discuss the detail as a group and consult interested parties as needed.
- B. Send any further questions to their Division President/Secretary.
- C. Division Presidents/Secretary to send consolidated questions to TA to allow for response and further clarification.

At the conclusion of all presentations the following have been noted as key next steps:

- 1. Circulating the Seniors Advisory Group –Terms of Reference (when finalised).
- 2. Produce a Seniors Tennis Coordinator - Position Description (involves collaborating with some stakeholders).
- 3. Prepare communications to the wider Tennis Seniors membership and interested parties.

(Steps 1-3 will take place over the coming months)

Both Bruce and Travis have been very willing to answer any questions posed to them. If you have questions or queries it is recommend you contact your local Tennis Seniors Division and find out the latest information.
