March 2022 Issue

PRESIDENT'S REPORT by Tony Coyle

Despite the recent rain event, we have been extremely fortunate that there has been minimal impact to the club's infrastructure. Our courts are still in good order although there has been a significant increase in the growth of algae and moss in the wet conditions. Most courts have since been brushed. Some drier weather would certainly help the cause. The lighting issue on court 5 is being addressed.

Wonderful to see the large number of members and visitors enjoying their tennis at our organised sessions. The cooler autumn temperatures will be much appreciated by all.

Members are advised that the back courts (6 to 10) are now on the Book-a-Court system. Members can access these courts with a court key. Many thanks Neil.

The club has been advised that the grant application made to the Cancer Council Queensland for a permanent shade structure was unsuccessful.

Neil has applied for a \$2,000 grant through the Active Clubs program by the Queensland Government.

Members have been notified that for the month of March, members can bring a friend along to social tennis for free for one session with the member ensuring that the friend's standard was appropriate to the level of the social session attended.

The viability of conducting the annual ITF Seniors Tournament was discussed at our last committee meeting. After much consideration, it was determined to keep this fixture on our calendar. Volunteers will be needed to conduct both this event in September and our annual JDS tournament in July.

The committee has decided to conduct our postponed Australia Day breakfast and our follow up Open Day during the cooler months. It is also proposed that we conduct a Wimbledon themed Tournament in late June/early July.

Tony.

TREASURER'S REPORT, by Neil Sheahan

As we approach the end of the first quarter of 2022, our membership numbers are much the same compared to last year's numbers, as can be seen in the following table:

	Mar 2021	Mar 2022
Adult members	125	120
Junior members	10	17
Associate members	1	1
Life members	8	10
Honorary members	1	1
Total	145	149

Most members renewed their membership by 1st January, with late renewals coming in steadily throughout January and February. As can be seen from the list of non-financial members in the clubhouse, there are about 20 members who have not renewed for various reasons. These are usually replaced by new members through the year. So far this year there are 11 new members.

Our online Book-A-Court system has been operating with no problems, making it easier for visitors to hire a court. Members are also required to use the system to book a court for private play so that we have a record of who is using the courts at all times, and also to ensure there are no clashes with visitor bookings. The other advantage of using the system for private play is that you can pay any non-member guest fees by credit card at the same time as making the booking (obviously you can ask them to reimburse you).

Any member who has not yet registered themselves with Book-A-Court and wishes to do so, should send me an email so that I can help them register.

Neil

COACH'S REPORT by Daniel Carroll

The term one coaching program commenced on Monday 24th January and will finish on Friday 1st April.

Pleasingly, seventeen new juniors have enrolled in coaching programs since the beginning of 2022.

After fifteen years of coaching at the Kin Kin Tennis Club on Monday afternoons, I decided to give it away and focus on building Monday afternoon lessons at Tewantin Tennis Club - starting in term two.

I will be running a junior coaching clinic on Tuesday, 5th April – the first week of the school holidays. It will be a one-day program at this stage, but I will extend it if there is enough interest. The classes will commence at 9.00 am and conclude at 11.30 am. Let's hope it will be as popular

as the December 2021 clinic, where we had twenty-two enrolments.

Enrolments for group and private coaching are now open for term two, so be sure to get in touch with me as soon as possible to organise your day and time. The second term for school-aged children starts on Tuesday 19th April.

If your racket needs attention – replacement grips, overgrips, or restringing, give me a hoy, and I'll be happy to make it sing again!

Happy hitting everyone!

Daniel

FEBRUARY BIRTHDAYS

Tuesday social tennis players celebrating birthdays in February 2022

Lois, Bill, Barbara, Heidi, Beth, Jessica, Howard and Margaret (below).

WATCH FOR THESE UPCOMING EVENTS

These, and other events, will be displayed on the club noticeboard as they are arranged, so do keep checking!
