### Correspondence

- 1. The Tennis **ACT Autumn Club Forum** will be held on Tuesday 13<sup>th</sup> April 2021. Unfortunately it coincides with the WCTC committee meeting so will not be attended by WCTC.
- 2. The Club received an email from the **Member for Murrumbridgee Dr Marisa Paterson MLA** introducing herself and reaching out to find more about the Club and see if there are ways we can work together.
- 3. A **Back Bone BMX** event was held at the Weston Skate Park on Good Friday. This event impacted the car park area on the afternoon and Club members were advised that they may need to use other areas to park. The Club on received notice about this event the day before after noticing work being undertaking at the site.
- 4. Expressions of Interest close for the 2021 Volunteer Grant on Sunday 18 April 2021.
- 5. Mark Walton was going to investigate using the **PlaySport School Holiday PlayList** over the Easter holidays.
- 6. The **Check In CBR** QR codes are displayed at multiple locations around the club. All members, guests and the general public should be checking in when they enter the Club as mandated by the ACT government. More information HERE.
- 7. A FREE **TDS Webinar series on Succession Planning** will be held on 19 April 2021 at 7pm. These free webinars are for all community clubs, leagues and associations. More information <u>HERE</u>.
- 8. The Tennis ACT Club Development Officer Colin Thompson has offered to work form Clubs for one day. The concept is for Colin to work from the club for a particular day and if members, players, coaches and or committee need to discuss anything with him and or just want to come have a chat he will be available at the club for that day. **Decision Required.** Other resources regarding increasing club membership, marking the club locally and tennis club social ideas were provided to the Club.
- 9. The Club contacted the **Woden Community Service** who are interested in partnering with sports clubs or groups to provide pop up "tasters" of sports for Molonglo Valley young people within Molonglo Valley. They have requested a time to catch up in person to discuss what the Club may like to do.
- 10. WCTC club member Colleen Smith donated \$200 to the Club. The club would like to acknowledge the **donation** and thank her for considering the club. A email/letter will be sent her acknowledging the donation.

Clair Dupont WCTC Secretary

### **President's Report**

It has been a particularly busy few months for the Committee with work around the club continuing to progress, while there has also been plenty to do on the administration side. A big thank you to Geoff Kotz for clearing the bushes outside the perimeter fencing, and continuing with the boarding of the court fencing. Also, thanks to Graeme Rossiter and Tim Harris who have worked hard improving the garden landscaping and concreting the pathway outside courts 1 to 4. These tasks have required some heavy lifting but I am assured it has contributed to their recent success on the court. During all this activity Lorraine Ovington has also been busy tending to the gardens and with her regular weeding and watering, the gardens continue to bloom. Thank you Lorraine.

As was reported in a recent newsletter, Maggie King has established a "library" in the clubhouse and it is certainly proving popular. This is a great step towards the club being more inclusive and providing services for all our members to enjoy.

The club was able to get through to the end of March with a credit balance of \$7.45 with Rebel Sport. The 3 monthly Rebel credit of \$281.72 was received by the club on 31 March = \$289.17. There is currently a shortage of Dunlop AO tennis balls - the Tennis ACT preferred balls for pennant and Wednesday night social - but we hope to have them in the storeroom by next week.

Brian Chauncy has just completed the very time consuming task of updating the club's membership system with the revised club membership and casual rates for 2021 – 2022. The membership system that the club uses is not particularly "intuitive", but with some expert assistance from our Secretary, Clair Dupont, the membership reminder letters were prepared and issued, and the Club's website was updated in time for the 1 April change over. Great job Brian and Clair!

There have been some grant opportunities recently offered to community clubs and we have applied for two grants:

- Commonwealth Government Stronger Communities Programme Grant funds have been sought to supply and install an automated external defibrillator to be located in the clubhouse.
- 2. ANZ Hot Shots Community Grant (10 grants available throughout Australia) —funds have been sought to upgrade the flooring area outside the clubhouse to overcome regular "water pooling", as well as replace the existing barbecue with a new gas barbecue.

These grant applications are always highly sought after by community groups so we can only hope that we may have some success.

Tennis ACT has also requested all ACT tennis clubs prepare a priority list of future projects. We are currently finalising the list for our club. The list includes replacing courts 1 and 2 (most urgent project), replacing the wire fencing throughout the complex, and upgrading the clubhouse. Unfortunately, there is no suggestion of funds being available from external sources to fund these projects but it will give Tennis ACT a clearer picture of the significant funding that is required to rejuvenate tennis clubs' facilities throughout the ACT.

It was particularly disturbing to hear of Geoff having his keys, wallet and car stolen while volunteering his time at the club. It clearly shows the need for all members and guests to be vigilant of unauthorized people at the club, as well as being particularly careful with belongings brought to the club. Unfortunately, the existence of CCTV cameras that were recently installed at the club do not seem to deter these disreputable individuals from carrying out such vile acts. I would like to particularly thank Clair who responded so quickly by issuing a timely notice to our members about this incident, as well as other issues that have occurred in recent times and needed to be communicated to members. Clair is not only quick to prepare and issue these notices, but she also keeps our website and Facebook page up to date with the latest club news.

Finally, a very big thank you to Carl Jackson and his team who have been planning our first Club Tennis Championship for many years. The planning has taken considerable time and the publicity materials that have been installed at the clubhouse and on our website and Facebook page are outstanding. I have no doubt the championships will be a success and I encourage everyone to come and support Carl, his team, and the players during the weekend championships.

### <u>Projects Report – 3 April 2021</u>

### **Court Fencing**

The work is progressing, albeit slowly. Helpers are making the work easier, events of 31 March did not help.

### **Landscaping**

Tim and Graeme are continuing to make improvements to the grounds. Path patching and garden bed walls are a great improvement.

The cotoneaster growth from the south and east fence lines has been carried out and the pruning's disposed of, with help from members.

### "Community Efficiency and Solar Grant

The Solar Panel contractor has completed the installation of panels and electronic equipment. We received certification for the work and a "premature" final report was sent to Dept Industry...following their request. We have been advised that at some time we will be given a talk on operating the system. No invoice has been received to date

### **Membership Report**

Renewal of memberships for 2021-2022 is progressing well. As of Sunday afternoon, the figures are:

	Paid	Not Paid
Adult	104	56
Family	28	24
Pensioner	20	32
Junior	8	12
Student	3	8

The great majority have renewed by credit card, with only about 20 using electronic funds transfer (eft). All life members, including Stewart Back (playing (8), and non-playing (4)) have been updated.

Reminder emails to those members who have not renewed will be dispatched automatically by Club Spark on April 21.

In general Club Spark is performing well, with most members navigating the renwal process easily. Some members have difficulty but I don't know why at the moment but will investigate.

Club Spark has an email log which shows whether emails have been sent, opened, bounced or blocked. I investigate why any have been blocked (commonly that the email address has problems, which I attempt to fix by contacting the member by phone.

Yearly memberships from the date of joining were introduced at the end of January to take advantage of the interest in tennis have proven to be popular. 30 adults, 4 families, 13 juniors, 3 students, 0 pensioners (why?). Club Spark says they will be automatically asked to rejoin when their year is out. We'll see.

### **Coach Report**

# Weston Creek Tennis Club Junior/Coach Report

Date: 9<sup>th</sup> April 2021

Hi all, here is our coach report for end of term 1 & upcoming term 2.

As always term 1 has been a rather hectic start to the year & was made more interesting with health issues firstly to my wife & then myself. Anyway we are all back on track, working hard to keep tennis activities going. Coaching was busy as always this time of the year, with about 350 students taking, some sort of lessons for term 1. These numbers will no doubt decline going into term 2 with there always being a seasonal factor here in Canberra due to the weather & start-up of winter sports.

Currently we have camps going at the moment & we have just come back from our Easter Grass Court Tournament in Albury.

Speaking of tournaments we have our inaugural Club Championships on next Sat 17<sup>th</sup> & Sun 18<sup>th</sup> of April. The closing date is today 9<sup>th</sup> April, however I suspect as per normal with tournaments that there will be an influx of late entries probably up till Mon night. I look forward to having a great junior & adult representation for this 1<sup>st</sup> time event & hopefully we have great weather. I do note quite a few students have been unable to get the joining fee waived when signing up. So I note some juniors have joined the comp & will sort out signing up through the week with Brian or I will sort it on the weekend.

Junior Pennant has also kicked off we have 4 teams playing & unfortunately they have only played 1 match so far due inclement weather on the Sunday.

Also please note I do have an interested parent Max Rafferty, as a potential for the future on the committee. He has been a member for a while playing Wed social & has recently just joined his 8yr old son who is doing tennis lessons with us. He runs his own building business & deals with governments regulalrly & seems generally interested in our how to make Weston Creek TC better. Maybe we could invite him to a meeting in the future???

Finally I hope to have some sort of news about potential blind tennis at our club, in the near future. I am speaking via a zoom meeting this Tues afternoon with Kendra Hall from vision Aust & also Sonja Balic from blind sports NSW. Stay tuned for more.

### Anyway things/Dates to note:

### **Club Captain Report**

We are halfway through the Autumn leagues. Weston Creek has 14 teams participating across the Monday/Tuesday, Thursday, and Saturday leagues. An impressive 60 players are registered in these teams of which 56 have played at least one match so far this season.

Weston Creek teams are scheduled to participate in 113 matches with 64 of these played at home. We are currently sitting just above a 50% win rate!

I'm out injured at the moment but I hope to see many of you on court in the later part of the season or battling it out in the Club Championships. Keep up the great work!

Check out the <u>Tennis ACT website</u> for more information on any league. The popular Monday/Tuesday night league offers players with a mixture of singles and doubles in a quick format. The Thursday league is a great option for players wanting to play just doubles, and the recently introduced singles focused Saturday league is perfect for players looking to play a longer format.
