Dear Members, Clubs, Players and interested people

I would like to take this opportunity to let everyone know what has been taking place with the Tennis Association.

- Saturday Winter Pennant and the Tuesday ladies are in full swing.
- A couple of wash outs hasn't dented the enthusiasm and this week we see the return of the Junior Pennant. I am so pleased to see the Juniors up and running with great support from staff and mums and dads.
The club delegates from Albury, Thurgoona and St Pats tennis clubs are the ones making this work and set the scene for our Juniors to return and enjoy a Summer Pennant.
- Trish keeps us well informed about Tuesday Ladies, so many new faces and people from our surrounding districts coming into Albury for the day.
- The bulk of ATA's Pie Drive has been so well supported by many of these ladies, members and families and friends of players. We surpassed our expectations and thanks everyone who supported the drive and enjoy your next dinner.
- Saturday Pennant has two divisions with lots of close matches being played and as it stands the Comps will go down to the wire. Worth a visit to the courts and see some great tennis.
- Two of Albury's finest Stuart and Anjay have headed to Portugal for world Vet's Titles this week and they are both playing so well, I am sure they will give it a red hot go.

Onto the big picture stuff,

- Over the past months there has been much work completed by the Albury Tennis Strategy planning group, taking care of the future of Tennis in Albury. Talk with your club about this progress and take some time to see what's happening.
- As for the ATA we have been working through our own Strategic Plan, Business Plan and potentially a full revamp of the site Master Plan.
These plans will be made fully available on the ATA Web site and we are more than happy to receive your feedback.
- The future of the Tennis Centre is on full display and the Committee will be seeking a mandate from all interested parties and its member groups to progress and foremost retain our wonderful Grass Court Complex.

You can contact myself or email the ATA for your contribution and thoughts.

Happy hitting!

Peter Penny
