## Kerry's Tennis 60plus program

In memory of our very dear friend, Kerry McKean, who passed away in May 2022, the Beaconsfield Tennis Club, in collaboration with Ossie Tennis Coaching has developed a program for those aged 60 years and above who would like to play tennis. Once a month on a Thursday afternoon, OTC will run a modified tennis program for 45 minutes. The participants can then enjoy another 30 minutes of social play if they wish. Waiting in the club rooms when they finish is a fully catered afternoon team where they can sit and chat about their experiences on court. All this for only \$10 a session.

Registrations are required for catering purposes.

If you or a family member is wanting to join one or more of these sessions, let us know by calling 8820 5853. Registrations close on 31st August 2023.

Transportation to and from courts is not included.

## OTC Bootcamp

During April school holidays, you may have seen some clutter around the Beaconsfield tennis courts, and this would be the Ossie's Tennis Coaching's boot camp that was run from the 17th to the 19th featuring a variety of kids from all ages coming down to play. Across the three day period, the aspiring tennis stars were split into groups and would come down daily to hone their skills in an alluring assortment of different activities, drills, and games. Of course, a day like this wouldn't be able to run

without the help of many of the staff at the coaching agency stepping up to the challenge and brought 3 days of excitement to all who attended. As with all the other coaches who helped during the 3 days, We must thank the owner of the coaching agency, Paul Osborne, for organizing a great deal of the event, which allowed many kids of all ages to enjoy themselves and enhance their tennis.
