Weird Tennis Rules and Facts

- 1. When serving, you can stand anywhere (behind the service line) from the center line to the **inside** tramlines in singles, or to the outside side lines in doubles. **However, once you have served your first serve from one position, you must serve your second serve from roughly the same position.**
- 2. String Dampeners are only allowed to be positioned underneath the first cross string at the bottom of the string bed or above the top cross string at the top of the string bed.
- 3. If a ball hits or is caught by a person during a point then that point is awarded to the opposing team, regardless of where the person who was hit or caught the ball was standing at the time.
- 4. The "Deuce" score is thought to come from French, meaning "Two", as in two points to end the game.
- 5. Tennis courts were originally hourglass shaped.
- 6. Old fashioned gut strings had a tendency to wear mainly on one side of the racquet face. Therefore when calling for who serves first players often used to call "rough" or "smooth" when the racquet was spun.

The Australian Open will take place 17th—30th January 2022.

This will be the 110th Australian Open. You can purchase tickets at ticketmaster www.ticketmaster.com.au/ausopen

This AO has been hit by injuries and covid. Whilst Ash Barty is a great attraction, Roger Federer (knee surgery), Serena Williams (torn hamstring)are out. Novac Djocovic looks like he is controversially getting a covid vaccination exemption, Rafael Nadal (covid) Olympic gold medalist Belinda Bencic(covid), Dominic Thiem (wrist surgery), are all doubtful.

Because of the pandemic, there is no qualifying tournament this year. Andy Murry (who may be playing his last tournament), Venus Williams and Jo Wilfred Tsonga all need wildcard approval to play.

End of the road for Davis Cup?

In 2018 the ITF sold the rights to run the Davis Cup to the Kosmos soccer marketing group. Davis Cup has since been changed to a World cup type event, staged in Italy and Spain, , best of 3 sets, no reverse singles.

There is now speculation that the Kosmos group is about to do a very lucrative deal to hold all Davis Cup finals in Abu Dhabi for the next five years. Hewitt, who was part of two Davis Cup-winning Australian teams in 1999 and 2003, said any such move would be "selling the soul of the Davis Cup. This is a wonderful stadium here, but no crowd to watch, it's not what Davis Cup is about."

Barty and Alcott awarded Newcombe Medal.

For the second time in the award's history, there are joint winners of the coveted Newcombe Medal. Dylan Alcott was recognised for becoming the first male player to win a Golden Slam (claiming all four Grand Slam singles titles, plus a Paralympic gold medal, in the same calendar year), while Ash Barty was honoured for winning five titles in a stellar 2021 season, including becoming the third Australian to claim a ladies' singles title at Wimbledon. It is the second time Alcott has won the prestigious award, matching his 2016 effort, while it is a record-making fourth Newcombe Medal for Barty.

<u>Presidents Report – Bright Tennis Club</u>

<u>Annual General Meeting – 6.45pm, 9th November 2021 outside the Club</u>rooms

Welcome to the 2020/2021 Bright Tennis Club AGM. Membership increased during 2021 with a total of 200 members at the end of October 2021. This was comprised of 32 Family Memberships, 58 Adult members and 11 Junior Members. Membership fees are the Club's main income, comprising 61.6% of the club's income at \$12,146 and is an increase of 20% on 2020. This was somewhat assisted by the pandemic with tennis being one of the few sports that could continue when others could not. The challenge now is to retain these members going forward. This income was supplemented by a \$1000 Covid Top up Grant and \$489 court hire fees through the Visitor Information Centre (VIC). It is noted that court hire has dropped significantly due to the pandemic and we hope to see this number increase during 2022.

Tuesday & Wednesday Night Pennant

It has been great to see a strong Tuesday Night Pennant competition in the last 12 months fielding 8 teams of 4 in our Spring/Summer Competition and 5 teams in the Summer/Autumn competition.

Thanks to the efforts of Heather Thompson and Peter Dixon the Wednesday Night

competition has shown strong numbers with 6 teams of 4 in the Spring/ Summer and Summer/Autumn Pennant competition.

Covid -19 Pandemic

Although the Pandemic continued during 2020/2021 we were fortunate enough to still be able to run our two Pennant competitions during Summer and Autumn relatively unaffected. The Club however was in and out of lockdown three times over the winter with restrictions only eased for training purposes on the 9 September 2021, returning to full completion on 30 October 2021. Once again I would like to make special mention to Geoff Hollow during this time who ensured that the Guidelines were printed and displayed in the clubhouse and kept in line with Tennis Vic advice. Who would have ever thought a year ago that our club would have a QR code!

Monday Social Tennis

Continues every Monday morning from 9.00am in the warmer months and from 1pm in the cooler months. Thanks to Bev Schwarz & Bev Giraud for coordinating.

Club Championships

Club Championships for Jnr & Snr Players were back on for 2020/2021 after a 1 year break.

- 1. 166 Members in 2020, 137 Members 2019, 127 Members 2018, 124 members in 2017, 126 Members in 2016,

Club Maintenance

Mick Crocker continues to do an amazing job on our grounds and I would like to thank him for his time. We certainly have facilities that we can be proud of. Thanks to Geoff Hollow who took on this job while Mick was ill in hospital. I urge anyone that can operate a ride on to put up your hand to help out around the club. Many hands make light work!

Junior Tennis & Skills Day

Junior tennis continues to be very active in the club with 78 Junior Members. Saturday junior tennis continues to be well supported, however we continue to lose our Juniors after about 14 -15 years of age. We are hoping that the inclusion of a number of Junior players in our Wednesday Night Pennant will assist in reducing this drift away from the sport. In March 2021 we used some of our Covid Grant money and ran a Kids Skills Day that included prizes to the AO, a members draw and games such as beat the ball machine and speed test your serve. Unfortunately due to the Pandemic there was no Hot Shorts program at the AO this year.

Club Spark

We officially transitioned to Club Spark during the first half of 2021. This is a new membership platform which the committee are all getting use to, so we appreciate your patience!

30 Years at Pioneer Park

As you may have read in our Spring Newsletter our club celebrated 30 years at Pioneer Park on the 31 October 2021 (Thankyou to Dene Freeland for his great work on this historical issue). We were hoping to have a celebration at the club to mark this occasion, however like so many events this year it was put on hold due to the Pandemic. It's milestones like these that make you think about all of the great people that have kept this club going since its inception in the 1890's. I would like to make mention of Ian Ellen a current member & current player who was Involved with the club in its old location in Railway Avenue and instrumental, along with others, in building the existing tennis complex in Pioneer Park.

Current Committee

I would also like to acknowledge the efforts of a past committee member Alan Poyner who stepped down after being our secretary over 24 years last year. Alan was also involved in other activities at the club incl.:

Ovens & King weekend competitions

Regular Tuesday Night Pennant competition player & Coordinator up until last year

Represented the tennis club on the Pioneer Park Committee & and was responsible for doing any Plans/drawings of the club that you may see around the clubhouse

Instrumental, along with others in the building of the 4 Hot Shots courts in Pioneer Park Sep 2015 Involvement in the maintenance of the clubhouse and surrounds.

I would also like to thank the current committee for your time and effort that you have put into your roles. Mick Crocker – VP & Groundsman; Adrian Ciolli – Secretary; Jody Vlahandreas – Treasurer extraordinaire! (Jody does an amazing job, compiling regular reports for our meetings and keeping us all on track. The club is certainly lucky to have you); David Chlebna – Memberships; Dene Freeland (Newsletter) and our General Committee – Geoff Hollow & Andrew Porter – thank you for your work throughout the year. Once again Clubs like ours certainly don't happen without the assistance provided by our committee.
