Hot Shots at the Australian Open!

A total of 20 local 'Hotshots Kids' from the coaching schools at Bright and Mt Beauty Tennis Clubs were lucky enough to have a hit on one of the main Australian Open courts. Their hit was prior to the Ladies Singles match between Pauline Parmentier from France & Anastasia Potapova from Russia. The kids welcomed the players onto the court with Amelie Kerr from Bright winning the honour of doing the coin toss for the match. As soon as the kids entered the event they had the thrill of being included in a live breakfast television segment on 'Today'.
