# Frequently Asked Questions

**Q: I booked a court but the code doesn't work, why?** Book 20 minutes before you want to play - the system needs that time to confirm your booking. Make sure you enter the hatch (#) key after your four digit PIN. Wait for the light to turn from blue to green before pushing the gate open.

**Q: The coach is on court and the gate is open - do I still need to enter my PIN plus hatch key?** Yes - especially at night - if the coach's booking ends around the time your booking starts the lights will turn off unless you've entered you PIN.
