SPRING 2020

# Bungendore Park Tennis News

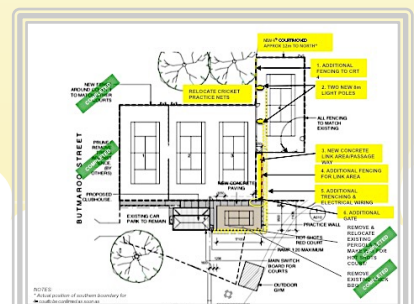

...so many good reasons for you to spring back into tennis...

## Club upgrade

Have you seen the new entry gate handle? – big thanks Andy Burbidge! Court 1 now has new fencing and a wheelchair accessible gate. Further fencing has been installed to the left of the clubhouse – the old double gates from Court 1 freshly painted black now provide construction and emergency vehicular access to the facility - very handy for when we build our new clubhouse (Club Upgrade – Stage 2). Big thanks to our club volunteers preparing for the new fencing, moving the pergola and removing the old brick BBQ to make way for the new Hot Shots court!

Big thanks also to life member Eric Martin and firm EMA for the pro-bono work to update the plans for the 4<sup>th</sup> court, Hot Shots court & practice wall (Club Upgrade –Stage 1) Updating the plans was necessary because of the soil analysis results and the redrawn Mick Sherd Oval boundary to make way for the new high school. We've sought assistance with the additional costs to resituate the 4<sup>th</sup> court through our local member, John Barilaro MP.

...and the prize for the best beanie for the Bungendore winter tennis comp goes to....

...Geraldine for her home made head band complete with roset!

Congratulations Geraldine!!

## Out with winter comp, in with spring!

The winter comp is over and while teams weren't playing for sheep stations, the team *Sheep Stations* narrowly beat the rest of the field. But we all think the real winners were those who showcased their beanie or head band to add fun and much needed warmth to the chilliest comp in the calendar. Congrats to Geraldine for her winning hand-made headband! The 2020 Spring comp got under way on Tuesday, 25 August with twelve teams vying for top spot! A warm welcome to all new members joining us for some spring comp fun: Danny, Alex, Chareen, Nicole, Craig, Vera, Dan, Simone, Olivia, Sharna ®, Helen ®, Tony ®, Cody ®, Gavin ® and young Leo! (® = Reserve)
