Club Upgrade

Earthworks are expected to get under way by mid December for our new 4th court, Hot Shots court and practice-hitting wall. Thanks in advance for your patience as construction work begins to disrupt things a little in the coming month or two - we can't wait to see it all finished!

The trial of the blue and yellow club shirt and cap seems to be going well with interest from a few members - see All member email of 24 Nov 2020 on how to place your order.

Club championships

To be held on the nights of 15, 16 and 17 Dec from 7:30pm. Get your name on the list in the clubhouse or email the club or contact Kate m: 0413801651

Can Bodyliners win again!

Just three weeks to go and rain has played havoc for many teams. With only 1 point separating 1st and 2nd spot on the comp ladder, Bodyliners still remain favourites to take out the 2020 Spring comp. Eagles II and Mid Court Crisis will slog it out for 2nd and 3rd place or will there be an upset? Drum roll please....
