

Bungendore Park Tennis Club – open day Sept 21

The Bungendore Park Tennis Club (BPTC) is excited to announce a new partnership with Rising Star Tennis Academy to provide coaching services in Bungendore. Rising Star was selected after an exhaustive market testing process and from a strong field of applicants.

Rising Star Tennis Academy has a well-established coaching operation in North Woden, bringing a wealth of experience and a passion for developing the sport of tennis. The new partnership will provide Bungendore with a dedicated full-time local coach, David Pajaczowski (pictured), for the first time.

David, who grew up on the north coast of NSW in Grafton is from a tennis mad family of 4 kids and started playing tennis at the age of 12. He is now a Junior Development Coach with Tennis Australia and for the past 31/2 years has coached with Rising Star Tennis Academy and he looks forward to bringing this experience to Bungendore. "I am very excited to be coaching in Bungendore, it's going to be great as all levels of skill and ages are welcome," David said. "We are ready for a new challenge, have taken on board the feedback we have already received and look forward to a healthy growing relationship in Bungendore and the surrounding area to learn and grow our tennis environment in a positive way to help foster the game into the future."

His appointment as head coach allows BPTC to meet the full range of coaching needs – at both junior and adult levels – right here in Bungendore and our local region!
