Presidents Report

2022 rolls with what seems like a very rapid pace and soon we will approach the new year.

Membership has grown slightly over the course of the past 6 months, with currently 96 members, exactly half of whom are involved in the junior program and coaching. Thank you to James Webber for his coaching expertise and the development of the junior program overall, which will put the club in a good position for 2023 and beyond. Alex Lloyd, a former junior club member, is now assisting James with mid-week coaching.

Some minor works have been carried out at the club, including a thorough clean of courts 1 & 2, termite treatment to the clubhouse basement, and a pressure clean of the building itself. We are hopeful of receiving a grant or support in a repaint of the clubhouse, and this process is in train. Grants have also been sought from Unity Water and Cooroy RSL, and these applications are currently being considered by these respective bodies.

Like most community organisations, the club faces increased charges for its day to day operating costs, not including any future development. An amenities facility, of some form, is a longer range plan for the Cooroy Tennis club.

Recently a working bee of 10 members attended to the garden/entrance to the courts, and thank you to those involved for making the time available. It shows.

Membership renewal for 2023 will be available online through the Clubspark website. This will include a credit card payment option, which is the simplest method for the club. Other payment options, of course, will be available.

A reminder also that financial club members can use the court free of charge during the day, using the online booking system. You must have registered through Clubspark to enable this process. If you have any problems with this, please send an email to: info.cooroytennis@gmail.com

There are very occasional issues with the booking system, but generally these are easily solved. Just remember to make the booking at least one hour prior, and gate entry available with the pin provided 15 minutes before the scheduled time. As a member, your pin remains your identifier after the initial booking.

Thanks and regards
Ian Garvey

Coaching News

Here is a summary of what is happening with the coaching program at the moment.

Junior Hotshots Tennis

We have added two new Hotshots tennis classes to our program for ages 6-8 and 9-11 years on Tuesday and Thursday afternoons. There are still places available and if anyone is looking to join then they can email through to organise a free trial lesson.

Schools Tennis

We are running a 'Tennis for Schools' program to try to help more schools deliver tennis as a sports option in PE or as an extra curricular activity. To kick-start this we are offering a limited number of fully funded tennis taster coaching sessions for whole year groups. Any schools that would be interested in participating should contact James Webber (Head Coach).

Saturday Junior Fixtures

Our junior development squads for those progressing to a matchplay standard have continued to grow. As a result of this we are now offering Saturday morning fixtures to give our players the chance to put into practice everything they are learning on the coaching program. The first season had 18 junior players participate with Kirra Amitrano finishing in the top spot on the fixtures Tennis Ladder. This term's season starts this Saturday and anyone interested in participating can email James.

Friday Night Fixtures

Special mention for Saxon Sparrow and Angus Kunde who finished runners up of Division 4 in Season 2 of the Sunshine Coast Tennis League. Season 3 is now under way and all 3 of our junior teams are competing well.

Adult Tennis

We are offering all adults a free come and try session on: Rusty Racquets/Improver Class (Tuesday 6-7pm). Great for anyone getting back into tennis or looking to gain more knowledge/experience. Advanced level training (Thursday 6-7:30pm). For anyone that plays to a high level, this a mixture of warm up drills and matchplay. Anyone wanting to come along can email James to reserve a free trial spot.
