- We received a \$1,500 top up grant from the state government during the year as part of their community sport survival package.

8. NOMINATION FOR LIFE MEMBERSHIP

Proposed by Laurie Sparks & seconded by Peter Rennie – that Sean Selleck be appointed a Life Member of the Eltham Tennis Club

Laurie detailed the exceptional services that Sean, a solicitor, and an active playing member for approximately 50 years, has provided to the club:

- For the last 35 years he has been the clubs' legal advisor whenever it has been required.
- Club Secretary 1985-1987
- Negotiated and prepared previous coach's contract agreement.
- Provided extensive legal services for the writing of the contract for new coach; handled and advised on matters to end previous coach's contract;
- Advised on many other legal matters for approximately 40 years.
- Chair of the sub-committee for the club's 50th anniversary celebration dinner in 2019 which was a massive job and Sean worked on it for many months.
- Wrote our current coach's contract in consultation with the coach and club to achieve an agreement fair to both parties.
- In the past year the club has needed a lot of legal assistance and Sean's support and advice was crucial in achieving a satisfactory resolution for the club.
- Currently providing legal and personal advice as a member of the Constitution review sub-committee and drafting the revised constitution.

It is clear that Sean has a deep love of the club and in part a sense of duty.

Merrin thanked Jeremy for all he has done in the last three years in his role of President. It was an exciting time but also a very challenging time in lots of ways. Working through the building of the new courts, overseeing selection of the new coach and of course the vagaries of COVID-19. The energy and enthusiasm Jeremy brought to the job has been fantastic and she speaks for everyone in saying a huge thank you.

She thanked Linda who has been on the committee for 14 years in various capacities starting with the Ladies sub-Committee, then many years as the Junior Manager and more recently as Secretary. She's been fantastic in every role she has held and you could always rely on her to step up when needed.

Thank you also to Robin for his work on the committee.

Merrin welcomed Thijs and Jason as new members to the committee.
