Congratulations go out to our junior teams. Both teams made the grand finals this year. Our boys Section 22 were runners up and our Mixed team Section 2 won the Grand final. Fantastic efforts for two new teams.

AGM

This is to notify you that our AGM will be held on 29th August 2022 7.00pm at the clubrooms. Please keep the date free and come and join us. This is your opportunity to have a say in the running of your club.

We are always looking for people to assist with the running of the club so if you believe that you have some skills that may assist the club, please get in touch with us.

Notification of the AGM will be sent out with relevant documentation in the next few weeks.

Book A Court

We wanted to let our members know that the committee have been successful in obtaining funding to install the complete Book a Court system. Currently we only use part of the system during daylight

hours. This will be a great new operation for the club as we will now be able to extend our operating hours under lights.

The committee will meet with council and Tennis Vic over the next few months to organise installation. We will keep you informed of the progression and timelines once we know more.

Have a great week
