Epping Tennis Club

Presentation/Christmas breakup

Our presentation night will be held on 9th December at 6.00. We will hold a free barbecue with door prizes and lots of give aways. We have also invited some of our past members and players.

Please come along and join in the fun. It will be a night of free tennis, food and prizes.

Let's Challenge Tournament 2023

We will again be running the Let's Challenge Tournament in 2023. The event will be held in February over the weekend of 10th, 11th, and 12th. This year the main event will be played at West Lalor with any overflow courts required at Epping and Lalor. Entries will be \$15.00 for singles and \$10.00 per person for doubles. This has proved to be a great event over the past few years. Players are given an opportunity to play against people from other clubs and surrounding areas.

Keep your eyes open for the flyer and enrolment details

Book a Court and Court Bookings

We are working with council and hope to set up the court booking system so that you will be able to book courts at night under lights. This is still a work in progress, but we are closer to commencement and hope to have the booking system completed early in the New Year.

With regards to booking your courts, we ask that you complete the names of the people that are playing with you when you book your court. This provides an accurate number of the people that are playing on our courts. It also allows us to complete payment if you are playing with a non-member.

This helps with our attendance when we are submitting our numbers to council. The more people that play at our courts the more our chances of being successful when requesting funding or services. The guest fee also helps support us in keeping our membership costs down.
