

## GOLDEN GROVE TENNIS CLUB

Tilley Recreation Park, Yatala Vale & Hancock Roads, Surrey Downs

### CRAIG MOUSLEY

### CLUB PROFESSIONAL COACH

I am a Talent Development Coach with Tennis Australia and the Club Professional at the Golden Grove Tennis Club. I have had more than 20 years coaching experience and was the inaugural winner of the Tennis SA Professional Coach of the Year Award in 2005 and again 2009. During this time I have coached many players at a local, state, national and international level. The Golden Grove Tennis Club has also become one of the largest & strongest in the North East Tennis Association during this period.

My coaching experience includes having had the privilege of being the coach/manager of the Junior Hopman Cup for South Australia where Alicia Molik and Jordan Kerr won the event. My son Bradley has played State Premier League and also represented Australia. He won the Australian Open Junior Doubles in 2013 & 2014 while also reaching the semi finals in singles. I have coached our entire Ladies State Premier League team and also players to National level and had players go to the US College system.

I was the SA Bruce Cup Coach for 2011, 2012 and 2013 which is for 12/u athletes competing against the other states & territories. I assist the National Academy Adelaide where needed for overseas & interstate tours. Some of the most rewarding and enjoyable work I do is offering Reception to Year 2 school children their first experience with the game of tennis.

My team of assistant coaches offer extensive knowledge and skills. They range from coaches with international experience and Tennis Australia qualifications to the junior coaches that have attended coaching workshops and play at a high level. All of the coaches are enthusiastic and take a great deal of interest in the development of their athletes.

Coaching Programmes currently available: ANZ Hot Shots Red Ball 4-7 year olds (***free tennis racquet***), Development Squad (ANZ Hot Shots Orange/Green Ball), Talent Squad, Adult Coaching, Private Lessons, Junior and Senior Competition, Social Mixed Doubles Night Tennis, Mid-Week Ladies Competition and **Cardio Tennis**.
