It is greatly appreciated if you send an email detailing your payment to treasurer@ggtc.org.au at the time of payment and attach any receipts, vouchers or other relevant information.

EFT payments are the preferred option for the following reasons:

Security

Permanent Record for Both Parties

Details Easily Found When Needed on Bank Statement

We are volunteers and having to collate cash and cheque deposits, record information and attend the bank are time consuming tasks which can be avoided if all payments are made via EFT.

Your cooperation and understanding is greatly appreciated.
