4. Once you've clicked on a time slot you will see this window. Use the drop-down arrow to change the time slot (minimum one-hour bookings are required). Then click on the blue box "BOOK NOW"

5. Sign in to your ClubSpark account. Members will need to do this so the system connects to your membership and calculates the member fee for court hire. If you are not a member, you will need to create a ClubSpark account where it says "CLICK HERE" and fill in some basic details before moving to the checkout page.

NOTE: If you can't remember your password, click "Forgotten your password?" – <u>do not</u> create a new account as the system may still allocate a court fee.
