About Us

Thank you for taking an interest in sponsoring the Heathmont Tennis Club.

The Heathmont Tennis Club is approaching its 100th Anniversary with its establishment in 1926 in the Local community of Heathmont.

The local Orchardists founded the Tennis Club with the original courts located next to the now Heathmont Railway Station with the Clubhouse then made out of Fruit Boxes. By the 1940s, the Club moved to its existing location in the leafy Heathmont Reserve off Canterbury Road.

The Club originally had 5 Courts until the 1970s when Courts 6&7 were added and lights installed on Courts 4&5, which are still currently in use today.

The Club has gone through many changes and challenges over the last 90+ years, but it is looking forward to offering Tennis Courts & Services to the local community for the next 100 years.

The Club has approximately 200 members, all located within the local community, with another 50+ coaching pupils active.

The Club participates in multiple local competitions such as Lilydale District Night Comp, Knox District Night Comp, Eastern Regions Tennis Association and Tennis Vic Pennant.

The Club has 20 Night Teams each week along with 12 Junior and 5 Senior Weekend Teams. The Club also welcomes over 3,000 visitors per year to the facility, many within the local area.
