## NEWSLETTER - TERM 3 2021

### CLUB UPDATE

As you may be aware, the Club has been going through a few challenges over the last few months on top of managing the COVID environment we are currently in.

First, we had issues with Court 4&5 light poles, which required strengthening work to be undertaken. We thank the Council for the quick action on completing the works.

Secondly, we were advised by the Council that the brick retaining walls require urgent work to ensure the safety of all players and spectators at the Club. The Committee has been in constant communication with the Council, with the works to begin very shortly.

The Committee does apologise for the inconvenience this has caused and appreciate everyone that has cooperated with the changes. Infrastructure at the Club is a key priority the Committee is working towards further improvements to the facility.

### PADLOCK CHANGE

Over the coming weeks, we are planning to change a number of the locks from the Keys to Combination locks. We will email all members the Combination Code and provide the code when using the Book A Court function on the Club Website. These changes are being implemented to remove the need to manage keys and also allow the Club the ability to offer the courts to more players in the Community.

### COVID-19

We just want to remind members that you are required to Book A Court using our Website.

When attending the Club, please ensure that you use the QR Code located around the Clubhouse and Gates. It is a requirement that everyone checks in to ensure we can keep operating safely.

### ANNUAL GENERAL MEETING

The 95th Annual General Meeting of the Heathmont Tennis Club will be held on the 25<sup>th</sup> of August. We will communicate further details in the coming weeks. We hope all members can attend as it's an important method to show your support to the Committee and provide suggestions and review the plans the Committee has for the future.

## COACHING UPDATE FROM ZENITH TENNIS ACADEMY

The coaching team and I are excited to get back into Term 3 weekly lessons with our players after a strong end to the last term and a school holiday full of tennis.

At the end of Term 2, we had our first Orange Ball Matchplay Round Robin, with 14 players taking part (ages 7-9). For most of them, it was the first time learning how to score and play doubles, and they all did an amazing job. We also had quite a few juniors compete in their first-ever tournament, highlighted by Kian and Ryan winning their doubles event and Leo winning his singles event.

We are now looking forward to keeping the momentum going throughout Term 3, so see you out on the court!
