## SUGGESTION BOX

Have you ever been at the club and thought, "Wouldn't it be good if ...", or "I wish the club had ...", or "How do I get to know other members?" To capture these thoughts, we have placed a Suggestions Box on the kitchen bench of the clubhouse, next to the telephone. You can make suggestions anonymously, or if you would like a reply, please include your name and contact details. Please remember that the committee members are volunteers and are looking after our club in their spare time, so it would be appreciated if you used appropriate language (i.e. only positive suggestions and constructive criticism). Feel free to tell us what you like about the club also. You can still email us anytime with questions, concerns and ideas.

## COACHING UPDATE FROM ZENITH TENNIS ACADEMY

We have been delighted with the progress that many of our players have been making over the past couple of terms, both in lessons as well as competitions.

The July school holidays were extremely busy with clinics as well as tournaments. It was great to see 30+ kids at our clinics each day braving the cold weather and enjoying themselves out on-court (instead of being inside sitting on the couch looking at iPads!) We also had active participation numbers in tournaments, with 10+ kids competing in Australian Ranking junior events, and also 3 of our 10/u 'young guns' playing in their first-ever official tournament. Special mention to Nash Milne for winning through his first round and getting his first-ever national ranking points, as well as Saketh Rao who came runners up in his event!

With junior club comp starting back up, as well as a tournament trip to Traralgon next holidays, we are looking forward to a strong next few months of tennis!
