### Notice of Change to Membership.

To all Members. After reviewing 2022/2023 Membership fee structure, it has become evident that we need to put some focus on the Clubs Financial position.

The Club is not Viable, if the membership structures and Fee don't cover the Club overhead costs. Our club relies on members to support and pay their membership.

We, as a club have also not been prudent enough in collecting Membership fees.

*We understand the financial pressures in society so If you have any issues with payment of fees, please speak to us to find a path to suit your situation.*

Our Club Committee are all Volunteers, and work very hard to provide a club for all to play Tennis. We are always looking for people to assist is a range of roles, including Team Managers, maintenance and Fund raising volunteers.

The Club has many outgoing expenses.

- Council Rates, Court Maintenance and upkeep costs, Tennis Victoria Affiliation costs, Tennis Victoria Insurances, WRTA Affiliation costs, MRTA Affiliation costs, MTTA Affiliation costs, Competition Ball Fees.

Below is the current 2024 Membership, breakdown which is designed to cover club costs.
