We are a really lucky club to have such a great committee who make the pennants, tournaments, dinners, maintenance, safety, communications among other things just happen at your club. Club Championship

Due to the weather our club championships were the longest on record. Thanks to the Tournament committee for their patience and persistence in ensuring that the championships were played out. Congratulations to Ronan and Di who won their respective singles titles again. For Ronan it was his fourth straight singles title when he beat first time finalist David Scott. For Di it was her eighth singles title in eleven years. Only Rafa would have a better record than that on clay!!! Well done to Judy on making her first singles final.

Thanks to Di and Coach Jason Fletcher we had another successful junior tournament including girls after having a couple of years where we didn't have the numbers to have a girls championship. Winter pennant

As has been done for the last few winters we are running a couple of short (8 week) pennants over the cooler months the first one will finish on the 26/6/18 with the next one to start the week after that providing we have enough numbers. The difference with this pennant is you get to play 3 sets of doubles with a different partner each week If you are interested in playing or filling in and would like to know more give Craig a call on 0447501209 by Tuesday 26/6/18

Mixed Doubles

This year will be the tenth year we have held our open mixed doubles tournament This years event will be held in late October (date to be confirmed) This round robin tournament is open to Players from all clubs and you can organise your own partner or we will place you with a partner if you can't find one. It's a great social and competitive day of tennis with some fantastic prizes on offer.

Facebook

Although the club has had a facebook account since 2011. It has not been maintained for the last three years. Thanks to Committee member Marcel Kerrison it is now being kept up to date. It's another way the club can keep members and others aware of what the club has done and has coming up. So check it out and don't forget to like and share.
