

Membership Policy

We hope you enjoy your time as a member of our tennis club.
If you ever have any queries, please contact the Club Administrator liston.tennis@gmail.com

Insurance

On the payment of your membership to our club, you automatically become a registered member of Tennis Victoria.

You will be covered by the Member Protection Insurance at any affiliated Tennis Victoria venue. If you need to make a claim for a personal injury while playing tennis at a venue, please see our website for more information.

Facility Use

Members may access our club between 6am-midnight every day. Courts can be used for tennis between 6am-11pm every day and must be booked via our 'court bookings' page of the website. Members are expected to behave in an acceptable manner while using our facility. In addition, members are expected to treat each other and the facility with respect. Any inappropriate behaviour can be reported to our Club Administrator on 0409 980 031 or by email to liston.tennis@gmail.com

Members must follow any signage at our club, especially in relation to health & hygiene. Members need to leave the club house and surroundings in a clean and tidy state for the next players to use and enjoy. All rubbish needs to be disposed of in the rubbish bins outside the rooms. There is to be no rubbish left inside the clubrooms. If you are the last person to leave the facility, you are responsible for ensuring the interior lights and appliances are switched off and locking the club house door and the front gate. Our club is strictly a non-smoking facility.

Court Use

Club organised competitions, events and coaching activities take precedence over casual use of the courts. Members can use the courts at all other times. You can refer to the 'Booking System' via our website for court availability. Only Club Spark 'registered' members can make bookings. Only non-marking tennis shoes permitted on the courts - no other footwear. There is no eating allowed on the courts.

Key-FOB

Our club uses a key-FOB to access the front gate and the clubhouse door.

Adult, family, senior and student (over the age of 18 years) members, can purchase their own key-FOB. Members must not allow others to use their FOB.

If a key-FOB is lost, the Club Administrator must be contacted promptly.

Entrance GATE

The entrance gate needs to be kept closed (locked/secure) at all times *with busy coaching times being the only exception to this. As members enter, we ask that you close the gate behind you.

Security

Our club has security monitoring, including a CCTV located at the front of the club.

Any unauthorised access will be reported to the police.

Court Lighting

Our club has the latest LED lighting on all six courts. It can be hired by members for use in the evenings. See the link on the Liston Website- court hire - book lights

The cost per court for lighting is currently \$10 per hour. This is charged to the member at the time of booking, via *brightsport*. Users need to create their own user account/password.

Visitors

A member must accompany a visitor to our facility.

A visitor can only use our facility three times during our club's financial year (September - August).

Members are responsible for their visitor's conduct whilst at the club. All bookings need to include the visitor's name, for club record keeping.

Equipment, Clothing, Shoes & Tennis balls

Members are responsible for supplying their own equipment.

Used balls can be recycled at the club - please place them inside the clubrooms in the Game ON basket.
