TENNIS FOR EVERYONE

News from around the Club

Update from the MLTC President: Lee Pearson

What an incredible summer season we've had! Firstly, a huge congratulations to all of our junior and senior summer pennant teams. While many made finals, our Men's Open Div 6 team managed to go all the way, winning their grand final against Robertson Park – congratulations team!!

This year also saw us back to hosting State Grade tennis with Cam and the combined Blue Gum-Midland Men's state grade team doing us proud at the top level of tennis in the state, narrowly missing out on a finals spot. A couple of fantastic games hosted at our club, with many thanks to everyone who came down and supported.

Your committee have been working hard, trying to move our club forward. With lots of meetings with Tennis West, City of Swan, potential sponsors and other clubs on opportunities, we feel like we are setting the club up for a strong 23/24 and beyond. That said, we always need more support, and will be launching a number of sponsorship packages to help ensure we are financially viable into the future, while we try and grow our membership base. If you have a business, know someone with a business that could partner with us to promote their services and support our club, please reach out to me. I hope to be announcing a new Platinum sponsor for the upcoming year at our presentation afternoon. I hope as many of our members that can make it will join us for some social tennis, and a celebration of the year that was.

This weekend will see our club members battle it out in the final events of the 22/23 Club Championships – with singles and mixed doubles left to play. Hopefully the rainy weather stays away, and we can complete all the events as planned – come down to show your support for all of the entrants and enjoy the fun if you can!! As the busy summer season comes to an end, we will see the completion of the Hills Grand Slam at MLTC, with the final event – “Wimbledon” being hosted on our fabulous grass courts.

From a social tennis perspective, it's been great to see strong attendance, and lots of new faces both Wednesdays and Saturdays – hopefully a few more of our pennant players will join in now summer pennants has finished. Final call for anyone interested in playing winter pennants – please make sure you have emailed either juniorpennants@midlandtennis.com.au for juniors, or frontiertennis@hotmail.com for seniors, to register your interest – we need to nominate teams by the end of next week.

Hope to see you around the courts....Lee.
