The two doubles matches should be played first. If there are only 3 players in attendance then a doubles and a singles should be played. If they are unable to do so, they will forfeit the first set. Boys Section 1 - 10 inclusive and Girls Sections 1 - 5 inclusive, play a 12 point tie-break at 6-all if required.

All other sections play a straight 6 game set, i.e. First to 6.

Prior to commencement of match, the **CAPTAINS** must complete the score sheet with doubles pairs and singles listed in order. Surnames must be included. The score sheet cannot be amended at any time during the match.

The **HOME** club supervisor is to ensure that no adults or others interfere with play, i.e. No line calling or coaching from outside the court area. No parent or player should enter the court area. The Association has a "Zero Tolerance" policy regarding behaviour. The Home supervisor is responsible for ensuring the players behave and there is no swearing, bullying and cheating. Any such instances should be recorded on the back of the score sheet and entered into the Comments section on TROLS. If necessary the **Club** should then forward a statement for recommendations from the Disciplinary Committee.

In the event of wet weather, all players must be present and wait until both captains or the supervisor agree that the match cannot be completed unless a call has been made to the opposition Club by the HOME Club Delegate calling a washout. If no call has been made and a team does not turn up, the match becomes a forfeit. A Score sheet must be entered online naming the players for that day.
