Signage

Cost to purchase signs is additional, however this will only need to be purchased once. These will need to be supplied by you (specifications are included in this document). If you already have signage get in touch with us to discuss if it is appropriate. If you need to purchase signage, indicative prices are:

- Hitting wall sign, Colorbond digital print - \$200
- Courts, vinyl banner single sided - \$200 (these can also be printed double sided)
- Sponsors wall
 - large sign, vinyl printed sticker - \$60
 - medium sign, vinyl printed sticker - \$40
 - small sign, vinyl printed sticker - \$30

You are welcome to source your own signage, however we use and recommend Young Signs in Morwell for any signage. They are familiar with our sign sizes and are very experienced. They can also offer assistance with designs (cost applies) if you require. Once the signs are ready, Young's will contact the club for pickup and we will display the signs as per your sponsorship package.
