

# Light Use & Payment

1. Book a Court with your mobile phone using the QR Code on the gate behind you (\$10/court/hour – members free).

Book the Lights by paying the \$5/hour/court light fee simultaneously. e.g. if two courts with lights are being used, then it is \$10. **Note** — members & public all pay the \$5 light fee.

You will receive a **confirmation message** that contains two Codes, i.e. Gate PIN Code & Light PIN Code.

2. Enter the Gate Code to open the Smart Lock on the gate (*read the sign*), and on the wall (*left of the clubhouse door*), enter the Light Code into the Keypad. **Important** — read the information on the sign.
3. Lights will come on ~5 minutes after the booking time starts and turn off ~5 minutes when booking finishes.
