

December 2021 NAMBAS TENNIS

Issue 2/2022

Online Registration

Success. Our club has completed its first transition to online portal. Before I give you the links and web addresses, I first would like to discuss club spark.

ClubSpark is an online tool designed to simplify our club's administration. Club Spark will replace mytennis (which will be decommissioned middle of 2022). ClubSpark can manage: your website, court hire, memberships and events.

Jamie our secretary has been updating our website, which is part of the clubspark tool. Our current website will be automatically redirected to the new website over the coming weeks and eventually our previous website will phase out as well. Several clubs on the coast have already transitioned to the clubspark model.

So what's in it for you. Our membership and invite for online membership is easier to manage. You can update your own personal details. This will reduce manual typing from our administration and leaves less room for error. In the near future we will go to online court booking. Your details will automatically determine court booking and the cost involved. The system will know which membership you have and calculate the court booking price. We will also have two gate locks, to help those without a gate key. This means you have visibility of court access at your fingertips.

For now, our first step is inviting you to update your membership in club spark. If you have already paid, you can still check and edit your details. If you have not yet registered for membership 2022 year, you can begin now.

You can either wait for the invite

OR

Go directly to our website <https://play.tennis.com.au/nambastennisclub>

Or

Search in google Nambour Tennis Clubs and you will see ClubSpark/Nambas Tennis Club

-tab across to memberships and find the relevant membership see below

Supported by

Michelle Jaggard-Lai : Wimbledon and Australian Open
Grand Slam champion
TA & ATPCA: Accredited Tennis Coaches Australia wide
Bonus Extras : Fitness motivators, Mindset approach,
local clubs & Interstate players with local practice partners

Another club first, a mentor camp coming to the Coast which is being held at several clubs, including Nambas. Since 2021 Michelle and her family have been regular players at our Nambas courts. Michelle is a professional player/coach/mentor who is passionate about kids being led through the whole tennis experience, both on and off the court. This camp will help kids learn tennis and the mental challenges which is part of the tennis game. We will be seeing accredited tennis players, fitness motivators, mentors and interstate players come along to this camp. We are working together with Yandina and Coolum Tennis Clubs to bring this exciting new venture to the Sunshine Coast.

NEWS
