

March 2022 NAMBAS TENNIS

Issue 4/2022

Rain

What is happening next. Every time we think we believe we can get a couple of weeks in without interference, we are impacted by another event. This time Mother Nature wanted to join in. We had a significant weather event late Jan to Feb with major flooding from Maryborough to NSW. Our East coast has been hammered by rain. I sincerely hope everyone including family members, friends and neighbours are safe, that your homes are still your safe haven and your overall mental wellbeing is still strong.

Tennis is not only a physical sport that release positive endorphins, it's a place for us to meet with other players and have a balanced lifestyle. I encourage to reach out and take a little extra time over the coming weeks to see how everyone is feeling, go for a coffee and maybe have a little celebration.

Our courts and drainage systems are of high quality and we can quickly return to the sport we enjoy. So lucky our courts are not swimming pools, snow field or ice skating rings. Yes the guys below are playing tennis on ice-skates

Online Booking System

We are very close to being fully online. This is a service we wish to offer in addition to paper membership, gate opening via keys and personal court booking. Our online booking system will benefit those private players who wish to hire our court. The automated system will give the customer a unique code to enter via gate three.

What has changed and what has stayed the same.

Jamie has done a great job updating and transferring all our data to our new website, which can be accessed via our CLUB Spark Nambas Tennis Club site. There will be some teething issues over the coming weeks and any concerns contact us via Nambastennis@gmail.com. All previous social sessions, private group bookings and fixtures have been updated on our court booking system. This means no other players can book the times during these previously booked ongoing sessions.

Restriction to Courts - 28th Mar to 4th April

Nambour Expo—formerly known as South Qld Caravan Camping Boating and 4*4 Expo have exclusive rights to the grounds between **28th Mar to 4th April**. We will be seeking alternative venue for these days.

We are currently liaising with Nambour Tennis Club for the use of their courts.

Please keep an eye on your emails close to 28th Mar for up to date information.

Fixture captains please seek alternative venue for period. Monday night fixtures have a slight chance of not being impacted.

If any issues, please contact us.
