

August 2022 NAMBAS TENNIS

Issue 7/2022

Emerging Leader Brock Hamilton

We have a promising young talent player amongst us. He has played in our fixture teams and reached the finals last season. He also volunteered for the Emerging Leaders program administered by Tennis Qld. This year the focus is on giving participants an introduction to coaching and event delivery.

Brock has worked hard to learn about tennis by practical learning on and off the court. He is to do an event at the end of the course which is being held at Nambas Tennis Club on the 11th September 2022. Brock is seeking assistance both via Yandina Tennis Club and Nambour Tennis Club to assist with this event. I have attached the full flier at the end of this newsletter.

I would welcome anyone to participate in doubles on 11th Sep 2022.

Charity Week 18th Sep to 24th Sep

This week will hopefully be the last week of Showground Events which impacted our tennis play. From 23rd Aug 2022 we should begin having full access to our courts. We have Brock's emerging leader event– doubles day on the 11th September. This will be followed up by Charity week beginning 18th September. Normally during Charity week we have bake day, however due to covid restrictions and other reasons, we decided not to hold Tuesday bake sale day.

Just a bit of background. Each year, for a whole week all our income is donated to our charity "Sunshine Coast Children Therapy Centre". We ask everyone to pay an extra dollar for each private, social and fixture session they participate in during this week. We also have a recycled goods sale. Bring in plants and goods prior to charity week, we then sell these goods and money raised is added to the additional tennis income.

- Psychology
- Occupational Therapy
- Physiotherapy
- Group Sessions
- NDIS
- Positive Behaviour Support Plans

Prior 18th Sep

Donate quality second hand goods, can include plants. This will be sold during charity week. Please place the donations in the club house.

From 18th Sep - Encouraged to donate an extra dollar for each tennis sessions, whether private, social or fixtures

- Donate an extra dollar for each social play
- Donate an extra dollar for each private play sessions
- Donate extra dollar for hire of ball machine
- Donate extra dollar for fixture play
- Buy from donated goods supplied

After 18th Sep

Collect funds raised and present a cheque to Children Therapy Centre. Last year we raised \$993.00

Ball Machine

Our records show we are increasing in our private court usage including ball machine hire. If you are not sure of court availability I would encourage you to check the Nambas Tennis Website, club spark. In regards to our ball machine, this is hired out first in first serve basis and is for members only. We have heavily discounted the use of the ball machine and appreciate if a few directions can be followed when utilising the ball machine. We also have cans of new balls for those who wish to purchase balls. \$12 per can.

Rules for the ball machine

-Please do not use the ball machine in any types of wet weather including drizzle. The balls become heavy and the cogs in the machines can become damaged.

-\$5 per hour

for members private play only.

-If using the ball machine, put your name in the book and place the money in an envelope, circling ball machine hire. Place envelope in the money slot front door of club house

-If you find any flat balls, please do not place these back in the ball machine. The flat balls can damage the cogs in the machine. Please place the flat balls in the recycle bin box

-Very important to depress the button when pushing and pulling the plug into the back of the ball machine.

-Place the machine back on charger when finished with the machine. This ensures the machine is ready for the next user.
